TEC Facebook page Or YouTube Service 13 September

**Beginning to worship together** The first service with a reduced congregation in attendance will take place on Sunday 20 September. Currently, we can accommodate everyone who wants to return to church by allocating them a place on alternate weeks at the 10.30 am service. These people will receive an e-mail or letter on Monday with details of when to attend. We regret that swaps are not possible so if you miss a week, you cannot attend again until your next allocated date.

The short Sunday service (30 mins approx) will take the format of *either* watching that week's video, with a vestry steward (or similar) welcoming and dismissing the congregation *or* watching a service which is being livestreamed. Livestreamed services will include contributions in person from those doing prayers, readings, etc, alongside prerecorded elements. It is hoped that livestreamed services will become more frequent.

We are requesting that you arrive no earlier than 10.15 am unless you are involved in the livestreaming. The usual restrictions apply - face masks, signing in, hand sanitiser, no refreshments.

In order to comply with 'the rule of six', we are also asking people not to linger after the service.

If you opted NOT to attend church yet, but change your mind, please contact the office in the first instance.

Sunday 13 Sept is the last **Personal Prayer** in its current format / time slot. It will re-start on Thursday 1st October from 2.00 pm – 3.00 pm and continue each Thursday in October. If anyone would like to volunteer to help with Meet & Greet for Personal Prayer on Thursdays, please contact Margaret Hartley.

**The Church Café has re-opened** with a few changes and a little bit of housekeeping:

Hours are 9.30 am - 12.30 pm. We are opening longer to accommodate more people so we ask if you see the cafe is full, that you might keep your visit to around an hour so we can host more people.

Cafe will be run indoors with a couple of outdoor seats.

We can only seat 28 indoors with 2 people running cafe thus making a maximum of 30 which is the number we are trying to maintain for every session, group, meeting, worship etc.

Once we are full, we regret we cannot allow anyone in until someone leaves.

Please help us by waiting to be seated, sanitising your hands & submitting your contact details for track and test purposes.

Please, once seated **do not move the chairs** as everything will be set out to conform to social distancing guidance. We cannot control who you choose to sit with, but we will have seating for people to sit on their own, in 2's or 4's.

All refreshments, cake, toasted t-cakes etc are paid by donation.

The toilets will be open.

Entry and exit to the cafe by either the east or the west door.

We look forward to seeing you and apologise as this feels like a lot of dos and don'ts, but the nature of the situation dictates this in order to keep you safe.

**Mission Giving** The Mission Giving group has agreed to make the following donations from general funds:

£250 to the Diocesan Appeal for Sudan £250 to Christian Aid's appeal for Lebanon In addition, we have been able to send £200 to Holme Wood for their foodbank and £20 to Bingley Foodbank from donations given by the church family in August.

Thank you to all who have contributed. We have had a thank you response from Christian Aid, "The explosion in Beirut has occurred whilst Lebanon is suffering an economic crisis. Your donation will provide life changing aid to those affected by the impact."

**The TEC Directory** (which dates from 2017) is being replaced by an updated, online version, with a limited number of paper copies for those without internet access, or who find technology problematic.

This online directory will only be accessible to Church members and will be stored in the cloud. This means there will be a private website which you can access to view the directory.

In order to ensure we have up-to-date information, we have issued a form by email asking you to provide your contact info & re-affirm your permissions about how we store and manage data - including its use in the new online directory.

Please return the form to James Huntington

either by post or via <u>technical@eldwickchurch.org.uk</u> by the 15 September. Many thanks
