

The Bible Course

Did you know that The Bible is made of 66 books; is the world's bestseller every year; was originally written in 3 languages; has been translated into 2,500; is historically reliable; was referred to more than 1000 times by Shakespeare in his writing; is a banned book in some countries; is the inspiration for many pieces of art and music; is considered by Christians to be the Word of God....?

Whatever you believe, whether of any faith or none, you are invited to join us at Crofton Baptist Church for eight sessions looking at how all the books, characters and events of the Bible fit together to form one big story from Genesis to Revelation. Do click below for more information.

'No one in the English-speaking world can be considered literate without a basic knowledge of The Bible.'
Dictionary of Cultural Literacy

The Bible has a huge influence on our society, with a wealth of Biblical allusions to be found in art, fiction, poetry, music and films. Whether you want to improve your knowledge for Religious Studies or English Literature GCSE or increase your understanding of our culture and language, The Bible Course could help you.

Presented from a Christian perspective, the course is suitable for those who are new to The Bible or have been familiar with it for years. Each session includes video presentations, with plenty of opportunities to discuss and ask questions but no pressure: it's fine if you want to just sit and listen.
