Dear Friends,

You will note the unusual nature of this Preaching Plan in that it only gives information for June. July and August info will follow in due course; we intend to offer those dates by at least the third weeks of the preceding months.

Like so many other events of the last twelve months this is of course unprecedented(!), but we have decided to do this for this period of rapidly unfolding easing of restrictions. As I'm sure you are aware there are a number of people who have a pressing pastoral need to see family members that they perhaps have not been able to visit for over 12 months and this includes some people overseas. Consequently, in case there happens to be only a short window of opportunity for such visiting, I am hoping that making the plan a month at a time will mean maximum flexibility and allow preachers and ministers the freedom to plan visits and holidays without feeling that preaching commitments restrict their movements for a full three months.

Nevertheless, I am quite confident that we will, as usual, be able to meet the needs of our churches in the leading of public worship, hoping that restrictions continue to ease as we go forward into the summer.

With prayers that the limitations we have endured in recent months will make gathering together again feel like a new special blessing!
