

Jars of Change –Water Aid Lent Appeal

Shortly, the Church time of year known as Lent will be almost over, if not behind us, and we will have remembered the horrific death of our Lord Jesus Christ, but will by then, likely be rejoicing in the resurrection on Easter Day.

This will signify the end of our Lent involvement in the Jars of Change appeal to make a contribution to Water Aid in their help to supply clean drinking water , sanitation and health teaching to all the peoples of the world.

We would like to collect all the donations on Easter Day, and there will be a service at each of our 7 parishes in the benefice either on Good Friday or Easter Day.

You can either send your jar (with an indication of the donor and their home Parish) back to me via the named member of the ministry team, or count up your donations and write a cheque to **Water Aid** for the amount you donated and give it to the named person from the ministry team. I will then put a covering letter with the cheques and send them off together to Water Aid.
