

About pledges

A pledge is a commitment to pay a certain sum (whether monthly, quarterly or annually) over a period of years. It enables us to plan for income to the campaign with a higher degree of certainty, and it can still attract Gift Aid in the same way as a one-off donation.

Should your circumstances change, please inform us. For example, if the amounts of Income and/or Capital Gains Tax you pay in each tax year is no longer equal to or more than the amount of tax that all the charities you donate to can reclaim on your gifts for that tax year, we won't be able to reclaim tax on your gift. In such a situation it may be that you would be unable to continue payment, and we would obviously not expect you to continue with your pledge. We would acknowledge your generous payments to date.

If you pay income tax at the higher or additional rate, you can claim the difference between the higher and basic rate on your donation. To receive the additional tax relief you must include all your Gift Aid donations on your Self Assessment tax return or ask your employer (or HM Revenue and Customs) to adjust your tax code.

We would be very happy to discuss the details of the project and any aspect of this campaign with you.
