PRAYER

As part of your day you may wish to make this prayer and spend a few moments in reflection on that particular area of church life (see next page) and how God might be calling you to respond or telling you something we all need to hear.

Heavenly Father, as we make sense of the changes in the world around us after this pandemic, give to your church here at St John's, and to me, a sense of what you are calling us to do now. So that we might live out your love, comfort those in need, serve our community, share your joy and to know your hope for all humanity. We ask this in the name of Jesus Christ, our Lord. Amen.
