

Missional Communities Worker

This is a new appointment within the Yorkshire West Methodist District. It represents an exciting opportunity for someone to make a real difference to the growth of the Methodist Church by contributing to the development of a missional community in the city centre of Leeds, and the co-ordination of spiritual and missional communities across the District.

We are looking to appoint a Missional Communities Worker to join us to take forward this phase of exploration and innovation by helping develop the Methodist Way of Life and the creation of new missional communities. The post is full-time and will see the post holder working in conjunction with the Leeds Methodist Mission Development Officer and alongside the District's Evangelism and Growth Group.

If you have the enthusiasm to work creatively with others in developing missional communities across the District and feel called to exercise a ministry in the City of Leeds, please ask for details.

For an ordained Methodist minister, normal conditions apply. For a lay person, the annual salary will be set between £24,000 and £28,000 per annum. Please note the appointment will be for a fixed term period of 3 years in the first instance.
