**Issue 37: January 9<sup>th</sup> 2021**

Welcome, brothers and sisters to the thirty-seventh edition of "Church at Home".

Let me begin by wishing you all a very happy new year.

Like many I am very glad to see the back of 2020, but 2021 is already giving us challenges. Sadly, as you know we have closed our church building for services and for at least the next 6 weeks will be trying to provide a meaningful worship time online. This is not ideal and we are aware there are many who don't have the means to join us. Do bear with us as we learn the technology and join us as we try our best to continue to worship together in difficult circumstances.

Follow the guidance, encourage each other, pray and stay safe.

Rev Clive

## Church Noticeboard

### Visiting Church

A reminder that entry to the church building is by permission of Peter Green our church warden. This is to ensure we fulfil our legal requirement to log those who are present and to ensure we are following quarantine and cleaning procedures correctly. One of our neighbours has noted that on at least one occasion the church has been occupied very late at night. If you have been in church without informing Peter please contact him so he can fill in the required paperwork.

### Demelza Christmas Card

Thank you to everyone who contributed to our Demelza Christmas Card. St Paul's will be sending a cheque for £140 to Demelza Children's Hospice.

### Vacuums

George Stafford has 2 Panasonic upright vacuum cleaners that work perfectly. If you would like one mail [gjstafford@virginmedia.com](mailto:gjstafford@virginmedia.com)

## **Using Zoom**

Zoom is a computer application that allows groups of individuals to interact with each other remotely. We will be using it for our online services. Even if you have limited experience with using computers following this guide will help you to join us.

### What you need

- A computer with an internet connection or a smart phone.**
- The Zoom Application (app). Also called Zoom client.**

Also helpful: -

-A Video or Web Camera (most modern devices have this built in). If you don't have a camera then you will be able to see others but they will be unable to see you.

-A microphone if you are using a computer. Again, most modern computers will have a microphone built in. If you don't have a microphone, others will not be able to hear you.

### How to get the Zoom Application

Go to <https://zoom.us/download> and click the blue "download" rectangle under the title "zoom client for meeting" and follow the installation instructions.

When you have done this you should see the zoom icon on your computer or smart phone.

### How to join an online service

Open the zoom application by double-clicking on a computer or selecting on your phone.

Click / Select "Join Meeting"

You now have to enter some information.

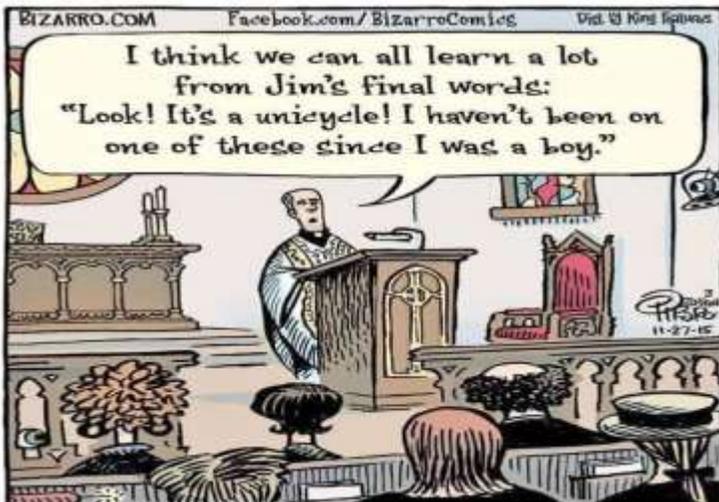

Firstly, the **zoom meeting ID**. This is like a phone number to the host of the meeting. You can find this on our online schedule (page 2 of Church at Home)

Secondly, you will need to type in our **password**. This is currently **"Paul"**. You will now be given some options such as if you want to join the meeting with your camera (if you wish to be seen by others) or without (if you just want to observe the service).

**These resources are to help equip & enable worship together as "family". They are intentionally intergenerational to allow space, conversation, activity & response together as the family of God. We encourage all ages to be participative & open, being responsive to God and each other.**

## Gather.....

- As you gather find a place that is comfortable and have the resources ready for the activities, prayer or response times ready.
- Choose 3 members to light the 3 candles (engage all ages)

### Opening words of praise with lighting of 3 candles -

I will light a light  
in the name of the Maker,  
who lit the world  
and gave everything life.

I will light a light  
in the name of the Son,  
who saved the world  
and stretched out his hand to me.

I will light a light  
in the name of the Spirit,  
who is present everywhere in the  
world  
and gives me strength.

**Together:**  
**We will light three lights**  
**for the trinity of love:**  
**God above us,**  
**God beside us,**  
**God beneath us;**  
**The beginning,**  
**The end**  
**and the Everlasting one.**

## Welcome.....

**As you gather sit and listen to this song.**

**Song: The Blessing**

[https://www.youtube.com/results?search\\_query=the+blessing](https://www.youtube.com/results?search_query=the+blessing)

**How would this blessing and peace look for you?**

**Reflection time:** As we think of our New Year looking ahead it feels rather like the old one.

As a family share about some of the Blessings you found in 2020. Time together? Talking more? Enjoying the outdoors more? Remind yourselves of the goodness of God in our lives even in difficult times.

Today, we are thinking of endings and beginnings. Of lives changing, turning towards Jesus. It is better than simply the beginning of a new year. It is the beginning of a new life; a new life in Jesus.

**Bible passage:** Read Together Mark 1:4-11  
AND / OR Watch

<https://www.youtube.com/watch?v=88JYcN2-FIQ>

Jesus decided to do as God wanted and be baptized even though there was no need – he had never left God so had no need to turn back to Him. Talk about how you would feel standing on the banks of the Jordan. This seemingly ordinary man being referred to as The Son Of God by the prophet you have come to see; the skies opening and God speaking. It is not clear that others heard it – but can you describe how it would be to have been there? Would it impact on your decision to turn your life to God?

## Interactive Learning.....

Spend time colouring this carefully thinking about how it would feel to hear God say those words to you.  
Thanks to Mina Munas at Flame Creative Kids.

## Reflection & Prayer Time.....

**Song: Faith**

<https://www.youtube.com/watch?v=JUG4AXD8RqI>

Encourage members to read silently or aloud their prayers. Other prayers can be said at this time, concluding with the Lord's Prayer

### **The Lord's Prayer**

**Our Father in heaven,  
hallowed be your name,  
your kingdom come,  
your will be done,  
on earth as in heaven.  
Give us today our daily bread.  
Forgive us our sins  
as we forgive those who sin against us.  
Lead us not into temptation  
but deliver us from evil.  
For the kingdom, the power,  
and the glory are yours  
now and for ever.  
Amen.**

Share about how your church celebrates a baptism service, what do you remember happening and why. If you have photographs of family baptisms, look at them together, look for similarities or differences. Is baptism something you are considering?

## Celebration....

If any of your members celebrate a birthday within the next week – sing together

Happy birthday to you, To Jesus be true, May God's richest blessings,  
Be showered on you.

## Closing Responses.....

**Song:**

**(can be sung/read aloud or listened to)**

From where we are  
to where you need us.

**Jesus, now lead on!**

From the security of what we know  
to the adventure of what you reveal.

**Jesus, now lead on!**

To make this world  
look more like your kingdom,

**Jesus, now lead on!**

Happy New Year!

As we face an uncertain start to the new year, may you be blessed and filled with hope. Christmas and the past few months have been so challenging for many, being kept apart from our loved ones. Many of us have experienced deep loss and loneliness and we will need to face restrictions for the next few weeks at least in order to protect those around us.

It can be hard to know how to respond after such a tough time – especially in the New Year which, traditionally, has been about looking ahead and making hopeful plans and resolutions for the future. I am writing to encourage you to hold onto hope. To have faith that, this year, God will still be with you and working around the world in wonderful ways.

Thank you for helping to bring hope into the lives of others too.

Your regular giving opens doors for us to help people see their lives and communities completely transformed – bringing a hope that is sustainable and making a whole *World of Difference!*

I wanted to share with you one of the stories that has brought immense hope to me this last year. It's a story of the church being a beacon of light in Northern Brazil.

The local community had suffered three years of droughts. Their only source<sup>12</sup> of water was from government trucks, but these deliveries were irregular, and

‘Our work is not about drilling a well, we are developing a community,’ shares Lindon Carlos, from ACEV. He is describing one of the key ways that Tearfund and our partners work to help communities lift themselves out of poverty – equipping them to find a solution to the problem, and partnering with them to help make it happen.

Celeste and her husband, Jocelio offered their land to use for the dam, and got to play a leading role in helping families across the village lift themselves out of poverty.

‘We have crops the whole year round,’ adds Celeste. ‘We have enough food for the family now... We don’t have to worry any more.’

Lives are being changed through the church and community coming together to help people escape poverty. The future is bright – Jocelio and Celeste are excited about what this means for their daughter’s generation.

Thank you for continuing to stand with us this year. Through your faithful prayers and support, we can continue to share God’s love with those most in need. We can show the world that, even in the hardest times, we can have hope.

Happy New Year! Together, may we step forward into 2021 with an attitude of prayer, realism and hope.

It's a tough season for each one of us as all nations of the UK have either continued in or re-entered a lockdown. But, right now, why not choose to remember the examples in your life, including in the last year, when you have experienced God's faithfulness, and make a resolution to talk about these in your witness to others?

We want our communities to know our faithful God in 2021, so I invite you to use our new resource, [[eauk.org/rememberwhen](http://eauk.org/rememberwhen)] Remember When. It's a sermon series and small group resource which explores how we can all be a witness for Jesus by reflecting on our journey of faith and drawing out those moments when God was faithful.

Remember When helps us to share these moments with those around us, as we are reminded of just how faithful God has been. It gives us energy to press forward in our witness, but also allows us to remember the path we've walked with Him so far.

There are so many questions, challenges and hurdles ahead. I'm praying particularly for the least, the last and the lost at this time. I'm reminded of what the Lord requires of me, and indeed all Christians in Micah 6:8: "What does the Lord

## Books

This week's book suggestions come from Beautiful Christian Life Blog

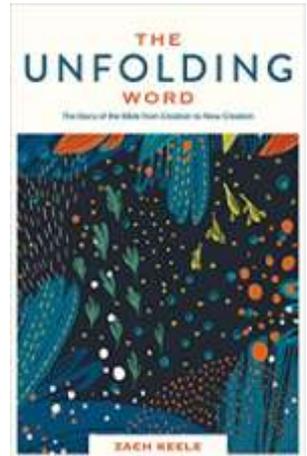

### The Rise And Triumph Of The Modern Self by Carl R Trueman

While the sexual revolution has been going on for some time, it has rapidly advanced in recent years, to the point of normalizing various self-identities including transgenderism. Why is society seeing such a dramatic break from traditional sexual boundaries in which long-established biblical teaching on what it means to be male and female is now considered to be morally oppressive?

### The Unfolding Word by Zach Keele

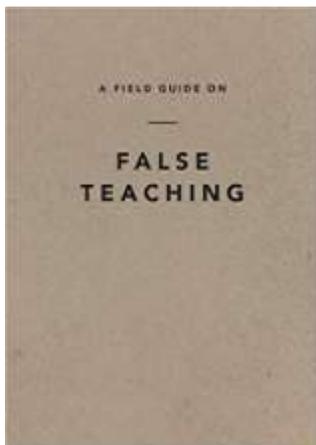

Do you want to make better sense of the Bible from beginning to end, from the garden of Eden in Genesis to the New Jerusalem in Revelation, from man's creation and fall to his redemption and glorification? According to Zach Keele, pastor and seminary lecturer in English Bible Survey, Greek, and Hebrew at Westminster Seminary California, "When we read the Bible, we need to hold together both slow and fast reading. Scripture is like a large mosaic, where each tile is its own image.

### A Field Guide On False Teaching by Ligonier Ministries

Can you explain to your "name-it-and-claim-it" friend why the prosperity gospel is actually a false gospel? If Mormons came to your door, would you be prepared to share biblical truth with them? With all the available teaching on the Christian faith out there, it's not always easy to discern biblical truth from error.

Thankfully, the highly respected Ligonier Ministries organization has published a handy field guide covering errant doctrinal teachings.
