CHRIST CHURCH
Wedding Fees for 2020

If you are struggling to afford a church wedding, or finding yourself in financial difficulties, please discuss this with Patrick the vicar, as we might be able to help.

Marriage Service   **£463.00**
This basic legal fee includes the church, vicar, a verger, lighting and administration.

Publication of banns at Christ Church £31.00
Banns are necessary unless you are marrying by licence. **Please remember that if either or both of you live in another parish, you must arrange for banns to be called in the other parish(es)** *as well*.

Heating Charge   **£65.00**
Required from October to April. Heating is optional at other times, but you must confirm you want it and pay *before* the day of your wedding.

Optional Fees

Marriage Certificate   **£11.00**
Optional, provided at the service. Multiple copies are possible at the same price. The Secretary of State fixes the price.

It is possible to pay for the organist, choir or use of the organ and to have recorded music. The organist will charge a fee for professional recordings of the service. Please consult Matt Wright (organist@christchurch-eaton.org.uk) about musical requests.

The office will send a checklist of what you want and prices with the confirmation letter and will then send you an invoice.

Please discuss any financial issues with Patrick the Vicar so that we can see if we can help.
