

Alpha

Explore life, faith & meaning.

Do you want to know more about the core beliefs of the Christian Faith such as

Who is Jesus?

How can we have faith?

Why and how do I pray?

How does God guide us?

You may never have studied them, or perhaps you did a confirmation course once and have never followed it up.

Alpha is a multi-week course that creates a space where people come and discuss life's big questions. It is for everyone; you don't have to come to church; you don't have to say anything; if you do speak whatever you say will not be ridiculed.

Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. **Alpha** is run all around the globe and everyone is welcome. It runs online, in cafés, churches, universities, homes—you name it! No two Alphas look the same, but they generally have three key things in common: hospitality, a talk and good conversation.

I would like to run **Alpha** for anyone who would like to take part starting probably in the second half of February. Exactly how it is done will depend on the interest. It may be all online (because of Covid restrictions), or gathered in someone's lounge (because not everyone is on the internet) or even a combination of the two. I would simply like to know who is interested at this stage. Please contact me if you'd like to join in or would just like to know more about it – no obligation!
