

EMERGENCY APPEAL for UKRAINE!!!

Please; can you help? The Churches of Brayford and Charles are mounting an urgent Appeal for donations to go toward essential supplies and medicines for Ukrainian refugees and for the Ukrainian people. We will be using a British based Christian charity which works through churches in Eastern Europe, who will then know how to get the money and supplies locally and directly to those who need it.

The War in Ukraine has displaced upwards of 1/2 million people, so far, and it is still Winter in Eastern Europe with below zero temperatures.

Surely we can do something to help fight for their Country and for global democracy and the liberty of self-determination.

If you feel you can assist, feel assured that all your funds will go directly through to those who need it.
