Letter from the Manse.....

The sun is shining as I write this article and Lynne and I are preparing for our summer break. Looking back over these past months it has surprised me just how quickly time has flown past. In a relatively short period we have felt ourselves become more settled in the manse and also into the rhythm of church life here at Kilsyth Anderson. Again I want to thank you all for your part in making that happen.

As I look beyond the holidays I can see exciting times ahead. Part of my excitement lies with the strategy task groups which have recently been set up involving people from the Kirk Session and congregation who will be reviewing key aspects of our mission and ministry and working towards a set of plans for the future. I would very much appreciate if you would hold the work of these groups in prayer. The groups being formed are:

Membership – Examining how we can grow in our fellowship and how we might effectively offer pastoral care to those in need.

Ministry – At Kilsyth Anderson there is such a wealth of talent contained in and around the congregation. This group will be looking to give encouragement and help to men and women find their particular place in the life, work and structures of the church.

Maturity – As we all seek to grow in grace and in Christian love this group will examine the opportunities available to develop and deepen our spiritual life. One particular area of examination will be the development of small groups

Mission – We are called to reach out into our community with the love and power of our God and our Lord. This workgroup will evaluate how we can be more effective in presenting the Gospel invitation to this time and generation

Worship – At the heart of our church activity is our gathering for worship. This key area will be looked at to see how we might praise and honour our God as well as learn the unchanging message of salvation in new and relevant ways with young and old alike. How will we utilise modern technology, how will we encourage our young people, how will we encompass the needs and aspirations of worship across all the age groups?

Youth – Kilsyth Anderson is blest with a good number of young people involved in our youth organisations. There is however a need to see that good work expanded and developed. Outreach to children and young people will also be on the agenda of this group. You have above just a flavour of topics being researched and worked on as we move towards the new church session after the summer holidays. It is important for us all to share together, pray together and work together that God is glorified in and through this church. I look forward to partnering with you in this task in the days ahead. For now, I pray that you all find rest and refreshment through the summer.

Yours in His name.
Allan S Vint.

Summer Fayre

Kilsyth Anderson Parish Church had a very successful Summer Fayre on Saturday 8th June when a total of **£2,800** was realised for the Church Fabric Fund. The Work Party who organised the Fayre wish to thank all those who gave donations and assisted in any way. They also wish to thank those who attended and provided marvellous support.

Appreciation

The Work Party started in 1979 to raise funds for a badly- needed new heating system. Amounts collected over the 35 years since then amounts to an amazing **£158,500**.

These collections have all gone to the Fabric Fund, which has enabled us to maintain our beautiful Church, Halls and Manse in such excellent condition.

We are indebted to the organising ladies of the Work Party, supported by gentlemen helpers, for such a colossal achievement. Some ladies have served all of these 35 years and additional lady volunteers are urgently required to organise future fayres. The ladies meet on Tuesday evenings at 7pm during the two months before each fayre.

If any lady is interested in joining this fantastic team, please talk to Anne McLean or Nan Kinvig.

CHRISTIAN AID WEEK

Collections from Churches and the proceeds of the Coffee Morning this year raised a grand total of **£2,883**.

The collections and donations made by District churches were gratefully appreciated. Special thanks are due to Burns & Old Parish Church for holding the Coffee Morning and to all those who donated home baking

There are so many needy folk around the world and it is great that the local community have again responded to the appeal.

(Charlie Waddell)

A big thank-you to Mrs Margaret Waddell for her great work on this newsletter.

Margaret has kept us informed of important events, church life, given us lovely poetry, stories and much more over the last 15 years. Enjoy your retirement!
A JOB WELL DONE- THANK YOU!

The internet is a great thing. I was looking for 'divine inspiration' to find something different to put into the newsletter and came across a web page that gave the stories behind some great hymns. I'd like to share this one with you.....more to follow

GREAT IS THY FAITHFULNESS

Thomas Obadiah Chisolm (1866-1960) had a difficult early adult life. His health was so fragile that there were periods of time when he was confined to bed, unable to work.

Between bouts of illness he would have to push himself to put in extra hours at various jobs in order to make ends meet. After coming to Christ at age 27, Thomas found great comfort in the Scriptures, and in the fact that God was faithful to be his strength in time of illness and weakness, and to provide his needs. Lamentations 3:22-23 was one of his favourite scriptures: "It is of the Lord's mercies that we are not consumed, because His compassions fail not. They are new every morning: great is thy faithfulness."

While away from home on a missions trip, Thomas often wrote to one of his good friends, William Runyan, a relatively unknown musician. Several poems were exchanged in these letters. Runyan found one of Williams' poems so moving that he

decided to compose a musical score to accompany the lyrics.

Great is Thy Faithfulness was published in 1923. It was not until 1945 when George Beverly Shea began to sing "Great is Thy Faithfulness" at the Billy Graham evangelistic crusades, that the hymn was heard around the world

Our Wee Ones

Good Luck to Lucy McDowall, Murray Paris, Hope Barclay, Iona Jack & Callum Gordon who all start Primary School & Jordan Campbell who starts Kilsyth Academy in August.

Congratulations to Abigail Shaw for getting through with her crew from Dejavu to the World Street Dance Finals in August in the SECC.

Congratulations to Fiona Erskine for getting a distinction⁺ in her Silver Highland Dance Exam

Manse Garden

Calling all the Green-Fingered of the congregation!

Volunteers are urgently required to assist with the maintenance of the manse garden. Work required is regular weeding and watering the flowers.

Would volunteers please contact Marion Cowie.

Holiday Club

SPACE ACADEMY! 5-9th August

Lift off from Star Base is scheduled for Monday August 5th at 10a.m. That is when our 4th annual Holiday Club will launch. There are over 800 school age children in our parish grouping and we are delighted to offer them a week of fun, games, crafts and stories around this novel theme. Already 60 youngsters have pre- registered and we have room for a dozen or so more. The team are prepared! Super Nova will lead aerobics and Keep fit, and Buzz Brain will get our minds working for quizzes. The drama of "The Black Hole" involves Spit and Polish, Glad and the Inspector, and the bible story of Daniel will be told in exciting ways. The afternoons will provide games and activities for all who are registered and for Teens there are 3 evenings planned in the Old Library. On Friday evening, 9th at 7p.m. there will be special family night when Andris Meszaros will keep us enthralled with all sorts of entertainment. The final Sunday will see us gathered in Kilsyth Anderson at 11.00am (different time!) with our friends from Burns and Old, to celebrate a hectic week of activity and a wonderful opportunity to share the good news of God's love with young people.

Ann Allen

GIRLS BRIGADE

Girls Brigade start back on Tuesday 27th August.

6.00 Explorers (P1-3)

7.00 Juniors and Company Sections (P4- secondary)

For more information please contact Catherine Kerr (Captain)
or see our facebook page: 2nd Kilsyth Girls Brigade

We are starting off the session with a BBQ night
from 6.30 to 8.00 (All ages) Chance to meet the girls and
their parents. (Helen's in charge of the BBQ!)

We are continuing with our Duke of Edinburgh, our
older girls are nearing completion of their Bronze award
and were away their final expedition walk, but due to
unforeseen circumstances one of the girls had to pull out.

The girls are now looking for another company to share
the walk with as they need to have 4 to walk. Fingers crossed that they manage
this session .

Plenty of badgework, fun and craft for the girls this year

BOYS BRIGADE

Boys Brigade start back on Wednesday 21st August

5.45 Anchor Boys (P2-3)

6.30 Junior Section (P4-6)

7.30 Company Section (P7- secondary)

For more information please contact Christine Johnstone (Captain)
or see our facebook page: 3rd Kilsyth BB

Some of the older Boys who are working for their Duke of Edinburgh's Bronze Award
have been attending on Wednesday nights, training for their expedition, trying to build up
their fitness level for their physical achievement and learning some first aid. Great attempts
at putting slings on!!! Just don't break your arm in the near future!

Their first outing on the hills was a washout, but hopefully their next one will be blessed
with better weather.

Some Juniors and Anchor Boys spent a busy and fun
day at the David Livingstone Centre in Blantyre to mark
the 200th Anniversary of his birth. They played games,
made things and learned some African choruses. (Don't
ask us now what they were!) The sun shone and we
had to make sure that we had sunscreen on.

Newsletter

I am looking to revamp your newsletter and would welcome your ideas.

What would you like to be included in your newsletter?

Would you like a Kids page? More scripture?

Poetry & verses? More animation?

Share your Favourite Recipe? District news?

I have included some ideas, but I'm open to suggestions.
