# From The Manse

In the wake of the bombing in Manchester it's hard to know what to say. Words fail us when evil of such magnitude is unleashed and its consequences are known. Perhaps all we are left with is the simple prayer, '**Lord, have mercy**'.

Questions, on the other hand, flood our mind, 'Who? What? When? and most prominent 'Why?' Why target innocent children and their parents? Why would someone seek to bring this death, destruction and devastation? Why did this happen? It just doesn't seem to make any real

sense. It *was* a senseless act and that's because it was also a Godless act.

As Christians, we know well that our task is to love God and to love one another. In the Bible, there is a reminder that this is not an either/or commandment. We cannot claim to truly love God if we don't love others also. I'm sure our love and our prayers go out to everyone affected by this terrible and outrageous event. Let us hold before our loving God all who have been bereaved or injured, those who have been shocked, shaken or saddened

and those who will be even now asking questions about life, death, good, evil and God. Remember in prayer all those who have to respond – the police and security service; health professionals, community leaders and remembering the vital role also played by chaplains and ministers as they walk alongside people in their grief, pain and questions.

Manchester brings home to us again how precious children are to the life of a family and a community. These past weeks I have had the opportunity to share in the parents' evenings of the Boys' Brigade and Girls' Brigade. I have spoken at the Balmalloch Primary School assembly and I have been at the meeting of leaders preparing for the summer holiday club. These things are in addition to having the joy of addressing our own Jesus and Me (JAM) club children each Sunday. I rejoice in the opportunities we have to share the love of Jesus with children. I would encourage you to pray for our children of all ages as well as for those who work with them as they help, encourage and direct them towards knowing Jesus and being one of his disciples. Being a disciple of Jesus has been the topic of the Thursday evening discussion group meeting in the manse. We have all found the topic challenging for it has reminded us that being called to be a disciple is not about holding beliefs but rather about following Jesus.

Following his example of how we are to live, how we are to love and what we need to be doing to demonstrate the love our God has for the people of this world.

If you are not sure what to pray for the situation in Manchester then I pass on to you the special prayer written by those who minister in the city. May God bless you as you turn to God and find in him your help and your peace.

## **A Special Prayer**

*God of compassion, you hear the cries of all who are in trouble or distress; accept our prayers for those whose lives are affected by the bombing in Manchester;*

*We pray especially for those suddenly facing a future without a child, parent or loved one, young ones who are in deep distress, those who are injured, traumatized or awaiting news, strengthen them in their hour of need, grant them perseverance and courage to face the future and be to them a firm foundation on which to build their lives; this we ask through Jesus Christ our Lord. Amen

## ***Story behind the Hymn.....***

### **As The Deer Pants For The Water:**

#### **Marty Nystrom**

“In 1984, I was a school teacher in Seattle, and since I had the summer off I decided to go back to Bible College, but only for the summer term. I headed for Dallas, Texas and Christ For the Nations Institute. Little did I know what was about to happen to me, especially with all that I would be exposed to and the worship emphasis of the school.”

“I had a roommate at CFNI who was a very vibrant Christian. He challenged me to go on a fast — a period of time when a person refrains from eating solid food in order to give time to the reading of the Bible and to prayer.”

“I took up the challenge, and on the 19th day of the fast I found myself sitting at a piano trying to write a song. I was simply playing chord progressions when I noticed a Bible on the music stand of the piano. It was open to Psalm 42. My eyes fell on the first verse of that chapter... As the hart (deer) panteth after the water brooks, so panteth my soul after thee, O God. After reading the verse I began to sing its message, right off the page. I wrote the first verse and the chorus of a song, pretty much straight through. The whole of the adventure was completed in a matter of minutes. I then repeated the song I had just written. I wanted to seal it in my mind.”

“I had no intention of showing the song to anyone. It was to be for my own devotional time with the Lord. However, before leaving the school to go back to Seattle, I did share it with one person, Dave Butterbaugh. He introduced it to the students of the school and it became a favourite.”

“Since that introduction of the song, it has been translated into several languages and is often sung in other countries. Orchestras have used it. It has been sung in unusually different styles.”

## **Prayer Cards**

There is a lot of prayer going on in the Church. Each week we pray for as many as a dozen individuals either at the ‘Midweek Fellowship’ on Thursday evenings, or on a Friday at ‘Pause for Prayer’. Happily many of those remembered then report that they feel that such prayers are helpful and give them strength to carry on. Others too request prayer but don’t want to be remembered at any open meeting. We are pleased to accept such request in confidence and pray for these individuals privately. Both sorts of requests are equally welcome.

If you feel you would like to be remembered in prayer, then we have a supply of ‘Prayer Cards’ available which you can complete to make your requests known. These are confidential. You can find them on top of the ‘Prayer Request’ box at the west door of the Church by the pulpit.

If you would like to begin praying regularly yourself, but feel a wee bit daunted by the thought, then have a word with Alex Fleming, who will be delighted to give you a book of simple prayers that will help introduce you to this important resource of the Christian life. Do give it some thought!

## FREE-WILL OFFERING ENVELOPES

The new Free-will Offering Envelopes are now ready for the year commencing first Sunday in July. They are available on the vestibule table and arranged in alphabetical street order

If you know any neighbours who are unable to attend church, it would be appreciated if you could collect their envelopes and deliver them.

If you do not use Free-will Offering Envelopes, we invite you to join by contacting **Helen Shaw** or **Charlie Waddell**.

If you pay income tax, our church can reclaim the tax already paid on your offerings if you merely sign a **Gift Aid Form** and the form does not require any amount to be specified. This enables our church to claim a further 25% of all your offerings now and in future years.

If you consider signing a Gift Aid Form, please have a word with **Helen Shaw**.

## Church Box Money

The money recently collected from church boxes amounted to £1,153. Thanks to all that contributed and to those who uplifted the money and assisted in counting it.

## Can You Help! Church Cleaning

Everyone agrees that our beautiful Church is being well cared for. All credit for this is due to our happy band of volunteer cleaners, - men as well as ladies – who work well together for just over an hour, **once every 5 weeks**.

We have 5 teams of eight: 3 teams on Thursday morning/2 teams on Saturday mornings. We are looking for some new volunteers! While we feel we are doing something worthwhile, we all enjoy each other's company and the time just flies! Margaret Waddell looks forward to hearing from you

# For The Memory Bank

The story of the Christian Faith can be seen as a drama in three acts. The first is the long-time of preparation that took place through the Old Testament years, during which God worked through the Jewish people and spoke through the prophets to prepare for and set in place the background to the mighty deeds which he would perform.

These mighty deeds are the second act. They centre round Jesus and his birth at Bethlehem, his death on the cross, his glorious resurrection on Easter morning and his ascension at the end of the brief period of appearances that followed.

The third act comes in the story of the Church beginning with the fulfilment of Christ's promise to send someone special down on them after he left. That one was the Holy Spirit his coming launched the Church as the book of Acts tells us. This book was wonderfully entitled by J.B. Phillips as 'The Young Church in Action', in a modern translation and so it is God has chosen to continue to work through the Church and still empowers it by the presence of that same spirit right to today.

The three memory verses that follow all come from this first act and are taken from the book of Acts.

## May: Acts Ch 1 Vs 8

"You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Samaria and to the ends of the earth."

## June: Acts Ch 2 Vs 3,4

"They saw what seemed to be tongues of fire that separated and came to rest on each one of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the spirit enabled them."

## July: Acts Ch 3 Vs 42,43

"They devoted themselves to the apostles teaching and to the fellowship, to the breaking of bread and to prayer. Everyone was filled with awe and many wonders and miraculous signs were done by apostles."

## Girls Brigade

The session has now drawn to a close for the summer, having ended with a very happy Parents' Evening full of fun, worship and celebration. The girls sang their new songs – modern versions of 'My God is so Big' and 'Jesus Loves Me This I Know' – and danced to the beat of the music. The Explorers went 'on holiday'; they also went 'On a Bear Hunt'...

The Juniors shared their newly acquired knowledge about birds and made us dizzy with illusions. The Brigaders told us about the badge and its history and quizzed us on seven 'I am' sayings of Jesus from the Bible. We were joined by Mrs Catherine Kerr, our previous captain and Miss Anne Strang, one of our Kirk Session elders, who presented prizes and awards. This year we introduced three new awards for the three company sections- these were won by:

Explorer **Ellie MacLaren**, for fabulous attendance over the session, Junior **Erin McFarlane** and Brigader **Emma More**, both for excellent engagement with all activities and contribution to the company and to their churches.

We are particularly proud of our four Brigaders who this year earned their Brigader Brooch:

**Abi Shaw**  
**Karis Abercrombie**  
**Katie McDowall**  
**Karen Marshall**

We hope that the girls will be presented with their Brigader Brooches during a church service in the new session.

We were privileged to present a cheque to Elaine McCrossan, from the Literacy in a Box Trust, for the sum of £416. Many people in Kilsyth and beyond have supported events that have helped raise this money which will be used to support educational engagements for children in a selection of countries.

Our thanks go to the many people who have supported the company on Tuesday nights over the session including the officers, leaders, friends and others - our badgework success has been made possible only through their contribution and commitment. We would also like to thank the Kirk Session for its support and encouragement.

Finally, our thanks go to the girls and their parents - parents for their support and for bringing their girls along on a Tuesday and to Sunday parades and to the girls, without whom there would be no Company. These girls are great fun to be around and we look forward to the Company re-start in September, where we will continue to learn and have fun together, as we seek, serve and follow Christ.

## BOYS' BRIGADE NEWS

Well, here it is - my last news item as Captain of 3rd Kilsyth Boys' Brigade!

This month we've had two very successful Parents' and Friends' Nights during which the Boys have displayed some of the activities they have been involved in during the past session. Thank you to our special guests, Ena Graham who has visited the Anchor Boys during the session and Tony Begley who was a great help to us in organising our Malawi trips. Ena and Tony both presented the Boys with their badges and any special awards. Everyone's generosity meant that the offerings on both

nights amounted to £330 which will go towards our next Malawi project.

Congratulations to our major award winners - **Parker Trainor** received the Best Recruit Cup, **Robert Beveridge** - the Best Boy and **Fraser Anderson** won the Endeavour Award. Four Boys - **Robert**

**Beveridge, James Caldwell, Jack Henderson and James Mackay** - have almost completed their President's Badge which is the second highest award in the BB. Since our Parents' evening, **Jack Rennie** has been awarded his Queen's Award, the highest BB award and goes to Edinburgh in June to be presented officially with it. Three ex members have completed their Duke of Edinburgh's silver awards, having done the work whilst in the company.

Congratulations to **Blair Anderson, Calum Baird and Caleb Walker** - you got there in the end!

In April, the Anchor Boys had a special Saturday outing organised by the Battalion. They spent a day on the open topped bus tour of Glasgow - a specially designed tour for their age group. As we were first onto the bus I chose the front seat as it had the best view (well really it was under cover!!!) However, the troops decided that they wanted to sit at the back where we were blown to bits, but they thoroughly enjoyed it. We did a wee bit of sight-seeing before having lunch at the People's Palace and playing some games at Glasgow Green. From there we travelled to the Transport Museum and the Tall Ship both of which were enjoyed. However, maybe the ice cream was enjoyed more! And so a great day was enjoyed by all.

The following Saturday saw the Junior Section attending a camp at Innerwick, just to the south of Dunbar. We had a cold, but action packed, day at East Links Farm Park followed by a McDonald's dinner and playing games until around midnight We DO try to make sure they sleep on the first night! On Sunday, our visit to Church had a setback - despite the notice board saying that there was a weekly service... there wasn't! By the time we discovered this it was too late to get to Church in Dunbar. Instead we had a walk round the graveyard and found some interesting stones - headstones which looked as though they belonged to pirates or smugglers. We also found some 18th Century stones and some Commonwealth War Graves. Swimming, a treasure hunt and indoor and outdoor games completed a busy weekend. Thanks to John Paterson for organising this year's camp.

The Company Section Boys, as I write this, are just about to try out a new venue - Flip Out. I believe it is similar to Airspace - trampolining. Maybe more of that next time.

In closing I must say a big thank you to all the Boys for their regular (some more regular than others) attendance on Wednesdays and at parades and to the parents and friends of the Company who have supported us for so long. Thanks also go to the Minister and Kirk Session for all they do and have done for us over the years. A special thank you goes to the wonderful staff members, both past and present, with whom I have had the good fortune to work with during my 47 years in the BB. There must be a lot of them! Their fresh ideas, hard work and dedication have kept the Company moving forward, keeping up with the times and continually growing.

At the end of this session, my feeling is the same feeling and prayer that I had when standing on the steps of the Church just before going to Malawi in 2014 - 'What AM I doing? God, help me!' I know that this is the correct time for me to stand down as Captain and allow someone with new ideas and more energy to take the Company forward. I step down but I am not going anywhere - my commitment to the Company

remains (you don't get rid of me that easily!) Anyhow..... we have classrooms to build in Malawi! However - I will need to learn to 'button it' as I have promised my successor, whoever that may be, that I will not interfere with their running of the Company, and that is a promise I intend to keep.

Thanks, everyone, for fabulous Boys to work with, friends from around the world made in BB, experiences locally, nationally and internationally, opportunities at home and abroad, fun, stress, disasters, support and encouragement throughout the years.
