## HEADLINES FROM PCC MEETINGS

**St. Mary and St John: Bike racks to be put placed outside churches to encourage people to cycle to nurture creation**

Middle section of floor to be filled in at St Peter's to make building more user friendly for worship, nurture groups and community use.

**Paul Church so pleased to be joined by the Mayor of PZ for the consecration of the extension of churchyard at Easter.**

PCCs explored the “On the Way” question about use of buildings and finance. St John Church to remove the rest of pews to enable café church and to make building more usable. Music and arts events to be focused on St Mary PZ. A focus too in offering complete wedding events in our venues.

**Finding ways to appoint family workers for our “Rainbow project” and holiday clubs. The business plan for this venture is now written and available for people to study.**

St Peter Ch looking to start a pasty lunch club on Weds as soon as Covid restrictions allow

**Paul Ch to organise a Creativity Outreach Weekend July 30th– Aug 1st : this event may happen on two sites in the Cluster**

Early discussions about a possible intern and linking our intern Scheme with HeartEdge scheme so that the person would get support along with other people of a similar age across the UK.

**Possible HeartEdge conference in September when we focus on Compassion and Commercialisation with Sam Wells and team**

*ST PETER'S NEWLYN*

*E-WAVES PROJECT*

*Over the period leading up to Easter year 6 children in our church school, as part of their parcel pet project, thought about how they would express HOPE. This is the result of a poem/song that they can collective created with the help of Sally the Postie. I HOPE that after Easter we might have music, photos and paintings to go with it.*

They delivered the words on Easter day as part of the Cluster's love stream worship

## **Letter of Hope**

*Chorus*

**My heart's been delivered an envelope.  
And in that envelope's a letter of Hope.  
Hope is a trust that things'll work out.  
So let's throw out the sandbags of doubt.  
Soar into the sky above  
And float up there on love.**

Hope is a bright and shining sun  
Ever rising-a new day begun!  
Hope is a rainbow-colours to behold  
And it's the rainbow with a pot of gold.  
Hope is a treasure chest-it gleams  
With preciousness beyond your wildest dreams!  
Hope is a present gift wrapped in Light  
And when you open it your world shines bright!

Hope is eternity's endless song  
Sung to you so that you don't feel alone  
Hope is a love letter to the soul  
To say you can do it— you can reach your goal  
Hope is a baby brother you're holding  
Happiness in you like flower unfolding  
Hope is a dream— fulfilled  
Hope is a Heaven— star filled

### **Your Response**

I wonder where you have seen signs of Hope  
over this Easter period?

Are there photos that you have taken?

Experiences that you have had?

Music that you have heard or written?

Poems or prose that you have written?

A prayer that you have used?

**The children in our church school  
would value your contributions.**

Do send them in to Keno our administrator or  
[teamleader@penleeccluster.org.uk](mailto:teamleader@penleeccluster.org.uk)

CAR SHARE SCHEME....a Hope being  
explored by Penzance Climate Emer-  
gency Action group.

Penlee Cluster looking at how we can  
support and link in with this...

More details next week.

Contact Vicky Howard if you want to  
join in the conversation

## "On the Way" in the Penlee Cluster

**Growing faith and discipleship** : the advisors have asked these questions for this section.

**What are the mission opportunities in you area?**

*Example: run more "Wisdom in the community groups "to reflect of living the Gospel reading for Sunday"*

Your idea

Your idea

**What resources would you need to meet these opportunities?**

In order to Advertise and promote the groups that are running more widely though social media we need a dedicated person in charge of social media

**What Resources could your cluster offer the deanery?**

We could share the resources for these groups on our web site and train group leaders to increase adult education skills and modern practises

### From Core Staff Meeting

Range of training events to be held from next month ( impact of Covid year: certificates etc out of date)

- First Aid
- Food hygiene
- Fire Extinguisher training
- Lone working policy
- Fire drills, checks, log book
- Safer recruiting
- Disability awareness: hearing
- Dignity at work: hand book
- PAT testing
- Electrical tests on building

*Dates for these will be arranged soon. Please let Keno know if you are wanting to take part in any of the training*

### Covid and precautions

It is very important that we continue to take extreme care in following the Covid rules:

**Masks, handwashing, social distancing. Despite a number of our churches being in constant use through this pandemic we have stayed safe. Please play your part in helping that to continue to be the case.**

**We are now ensuring that all Penlee cluster core staff and people working on behalf of the church are doing a lateral flow Covid test twice a week help protect the people we work with.**

## EASTER APPEAL

### Summer Holiday Playscheme

**In order for the Penlee cluster to run its usual and most valued summer club for children and our young leaders programme we need your help.**

**The aim is to offer :**

- 5 weeks of club: 9-3pm.
- 40 places for under 11s
- 8 junior leaders places
- A wonderful range of fun activities
- Breakfast, lunch and snack: free
- Themed weeks

**Many places will be free for children whom the schools believe are in need of them.**

The programme is costly both in terms of volunteer time and money.

**It is our Christian response to the needs of the vulnerable in our community.**

Despite the easing of Covid restrictions it is more complex and costly to run our holiday programme....but the needs of our young people are greater and need even more nurturing.

**OUR EASTER APPEAL WILL RUN UNTIL PENTECOST.**

Donate by using the square contactless machine in all churches or by cheque made payable to Penlee Cluster ( holiday club)

You could also offer your time as a volunteer.

### **SAYING THANK: COVID VACCINATIONS**

**The Penlee Cluster send...**

**DONATION SENT TO UNICEF: £1500**

A huge thanks to those of you who generously gave money to this cause.

## MONTH OF MAY:

### WEST PENWITH WALKS, CYCLES, RIDE

I wonder if you know how many parishes and churches there are in our deanery of West Penwith ? We think that it is 28...covering an area from Hayle right though to LandsEnd.

**So we have a challenge! How many of these churches and areas can you visit in the Month of May?**

There are so many ways to embrace the challenge: Visit a few by foot, car or bike one day a week. Walk the whole of the distance in one go camping or church halls on the way..not for the faint hearted!

You may wish to undertake a sponsored walk. A great prayer walk..Again lots of possibilities...We'd love to hear your ideas. More information from planning group next week. If you want to help plan for a range of possibilities join us next Monday at 1030 am St Mary Church PZ

### WISDOM IN THE COMMUNITY:

*We invite you to read this bible passage  
**St Luke's Gospel 24: 35-48***

*You might want to join in one of our groups this week...or reflect on this in your own space. Next Sunday's worship is based on our thinking and praying together*

1. **Imagine the disciples gathered together, fearful, and not daring to believe the reports that Jesus is risen. I wonder what their conversations would have been like?**
2. **Can you relate to that sort of fear? When have you experienced fear in your lives? Talk to God about it in prayer.**
3. **In the bible text we read that Christ invites the disciples to touch him. I wonder how they responded?**
4. **Jesus started to explain the scriptures to the disciples. What do you imagine was said? And what might Christ be saying to you now ?**
5. **What "touches" me and how might I respond to those words, "You are my witnesses"?**
