### Would you like to request a special prayer?

Members of the Prayer Request Group, which has been running remotely since lockdown began, include any prayer requests, for the people and needs of our community and our world, in their own daily prayers.

There is an invitation, for anyone who wishes to submit a prayer, to send in their request by a Tuesday evening and the prayers for that week will then be emailed to members of the group. All information contained in the prayer requests is confidential to the group and not for sharing in any way, and the names of people in the group will not be circulated within or outside the group.

If you would like to submit a prayer, or could spend a little time each day praying for those who have asked for our prayers, please email Mel on [mlevesconte@hotmail.co.uk](mailto:mlevesconte@hotmail.co.uk) or telephone her on 01736 732451

*When two or three are gathered together in my name, there am I with them*

*(Matthew 18:20)*

### PLEASE NOTE ....

*If you were receiving the weekly Penlee Cluster Prayer list and are not getting it now its because Mel has now taken over this role ..so you need to ask to be added to the wonderfully committed people who pray daily of the needs of people and situations in this Cluster. We not able to just transfer your contacts to her list. Revd Sian*

### **PILGRIMAGE AROUND PENWITH : 28 churches : Month of May**

I wonder how many of the parishes in this deanery you can name? And what about the saint each church is dedicated to? How many of the buildings have you seen and visited?

There will be chances in May to do some exploring: mini bus, walking, cycling.

You may want to get sponsored . You might want to do a pray walk

Some people from other parishes will also be taking part

Prayer requests from other parishes are being collected.

Something to look forward to...and plan...and put in a diary!

### **First mini bus tour: Saturday May 1st: 2pm– 6pm : Visiting 7 churches :**

**If you wish to join in contact Yates: 07782647089: [teamleader@penlecluster.org.uk](mailto:teamleader@penlecluster.org.uk)**

Walking groups and other mini bus tours will be arranged this week

**BOOK SWAP: AT ST PETERS'S Newlyn:** As the church begins to make plans for coffee group and Pasty lunches on a Wednesday plans are afoot to also create a small book swap corner. If you have novels that others might enjoy reading do take them in for Lyn to start the project.

**Group 18: ON THE WAY:** We owe a huge thanks to those who have worked so hard and methodically to produce all the documentation which has been sent to the deanery to help shape the future of churches in West Penwith.

## Julian Groups

Julian Meetings (named after Julian of Norwich, the 14<sup>th</sup> century mystic) are for people of all denominations or none who wish to join with others for a time of silent reflection; to pause and rest in God's stillness in the present moment. Just 'being' and not 'doing'.

Meetings have a set pattern. After assembling in silence, for time to settle before the start, a sentence is read, leading into half an hour's silent reflection (15 mins on Zoom). The meeting ends with a blessing. When possible, refreshment is offered for those who wish to stay and chat.

**Poverty Forum Community  
Manifesto**

The Poverty Forum has this week launched the Community Manifesto. Under eight themes including Flourishing Communities; Ending Food Poverty and Public Services For All, it showcases examples of the excellent community work going on within Cornwall and some examples too of work beyond the Tamar. It features a number of church based projects.

<https://cornwallindependentpovertyforum.com/community-manifesto/>

We are seeking proposals on how Cornwall could become a Fairer and More Just Place and these will be presented to the Councillors who will be elected in May.

If you have such a proposal ( **maximum 300 words** ) please do submit it to the Poverty Forum through the website or directly to [Andrew.Yates@truro.anglican.org](mailto:Andrew.Yates@truro.anglican.org) so they can be added to the Manifesto.

**CAR SHARING IN THE PENZANCE AREA**

*How would you like to support Penzance Council's Climate Emergency Plan and, at the same time, help to tackle, congestion, parking and pollution problems?*

*Penzance Town Council are looking at options for introducing a shared electric car club, and potentially an e-bike scheme, for the Penzance area. The car club would have electric cars bookable from as little as half an hour from locations around the town. Electric bikes could also be available to hire from locations around the town.*

*If you would like to find out more, please complete and submit this survey*
