It will now be possible to have tea/coffee after worship. But we ask that you go to sit at a café style table in the church and tea /coffee will be brought to you. Please do enjoy the friendship of people on that table and do not go to other tables. The card reader will be available for people who wish to make a donation for refreshments. Hand sanitiser on each table to be used after removing your face mask. Stay Safe

THE PEACE

No hugs in church yet please! We are about to learn and use the sign language sign for " Peace be with you "

Prayer Requests

Members of the Prayer Request Group, which has been running remotely since lockdown began, include any prayer requests, for the people and needs of our community and our world, in their own daily prayers.

An invitation to submit a prayer, to send in their request by a Tuesday evening and the prayers for that week will then be emailed to members of the group. All information contained in the prayer requests is confidential to the group and not for sharing in any way, and the names of people in the group will not be circulated within or outside the group.

If you would like to submit a prayer, or could spend a little time each day praying for those who have asked for our prayers, please email Mel on mlevesconte@hotmail.co.uk or telephone her on 01736 732451

BOOK SWAP: AT ST PETERS'S Newlyn: As the church begins to make plans for coffee group and Pasty lunches on a Wednesday plans are afoot to also create a small book swap corner. If you have novels that others might enjoy reading do take them in for Lyn to start the project.

FINLEY DOVE: You may now be aware that Finley died quite unexpectedly at the beginning of this year. Just weeks before his death, and after mourning the death of his partner Eve, Finley threw himself into the Christmas reimaging project...helping to get 1000s of activity packs ready for distribution. He was so happy and helpful. Finley had run and developed hand bell ringing at St John's. He had no relatives or friends that he was in touch with.

Sadly he did not have the funeral service he had wanted. So we will hold a memorial communion for him at St John's this Friday at 11am and have some refreshments afterwards.

Have Fun : Get Fit

Starting Wednesday 19 May at 11am

St Mary's Church Penzance

We will use YouTube videos for gentle exercise and easy dance

WISDOM GROUPS: We will be reflecting on John 15:26-27

1 What word or phrase stands out for you from this short reading?

2 What image does the word Advocate bring to mind?

This word literally means one who adds their voice to the voice of another or speaks on their behalf.

3 How do you feel at the thought that Jesus has sent the Holy Spirit to you?

What difference does it make to think of ourselves as having personally been given the gift of the Spirit?

4 The Spirit reveals truth; about God, about Jesus, about the world, and about ourselves.

(See John 16:8-11)

Which of these truths are we most aware of and how does that make a difference in our lives?

5 The Spirit's role is to testify, and we are called to testify too.

How do we testify to Jesus? How might adding our voice to those of others be part of this?

When Jesus speaks to the disciples about being with him from the beginning he is almost certainly talking about his own earthly ministry. But is there a sense in which Jesus is with us from the beginning? Can we recognise our faith as having a beginning or was there a beginning to our sense that Jesus was with us?

RUSSELL JORY : in 1924-2021

Born and brought up in Helston, Russell was a through and through Cornish man. After war service in the Royal Air Force, he became a music teacher as well as a brilliant organist. From the 70's until 2005 he was organist and choir master of St Mary's, during which time he raised the standard of the choir to being accepted as one of the finest church choirs in the south west.

Among his outstanding organ pupils were Nicholas Marston, Leslie Bunt and John Hosking. As head of music at Penwith College he oversaw the musician training of numerous talented young musicians including the late Joyce Preston

For some years he organised the St Mary's Arts Festival, for this festival he founded the Sinfonia of St Mary's, an amateur orchestra which attracted the finest instrumentalists in the area.

He was loved by his choir, and respected and honoured throughout Cornwall. He was quite simply Cornwall's Grand Old Man of Music. : Chris Horton

**CELEBRATION COFFEE AND CAKE
MORNING AT PAUL CHURCH**

Everything needs to be crossed for
good weather on **Wednesday 19th
May**, when the Paul church hall coffee
morning will start up again - though
outside and with sensible precautions
still. We'll be able to use the pub's
lovely new tables and benches at the
hall end of the car park, drinks will be
served, there'll be a big cake stall, for
eating straight away or/and buying to
take home. Duncan and Ian will be
there too of course, they're 'part of the
family' now. So come and celebrate
this small but significant step towards
normality - hopefully without need of
umbrellas!

SUMMER HOLIDAY CLUB:2021

We now have enough money in the bank to
offer some holiday clubs to children across the
Cluster area. We still have a way to go to raise
the amount to cover 5 weeks ...but we are in a
good place.

**The EASTER APPEAL, running until June,
will be towards this work. Please use the on
line and "square box" to donate. There will
also be envelopes in each church.**

Thanks for those who have already
donated to this work and those who have
offered to volunteer.

**Grants and donations have reached
£10K . ..we are aiming at £16K**

**We are also expecting to offer parent
