ASKING FOR HELP FROM VERY BUSY PEOPLE

Looking at the diary this is going to be a very busy week!
We could do with a few people joining us at the Meet the Funders event...as we look for grants for church projects

A prayer for the Holy Land

O Prince of Peace,
our hearts cry out to you
for the lands in which you once lived. Confound
all who seek to change the world through
violence;
prosper all whose hearts are set on
reconciliation;
grant justice to those who have been denied it;
and security to those who live their lives in fear.
Work a miracle at this time of rage, we pray, and
grant peace to the people you love.
Amen.

TABLE REFRESHMENTS AND FELLOWSHIP

The moment you might have been waiting for!

It will now be possible to have tea/coffee after worship. But we ask that you go to sit at a café style table in the church and tea /coffee will be brought to you. Please do enjoy the friendship of people on that table and do not go to other tables. The card reader will be available for people who wish to make a donation for refreshments. Hand sanitiser on each table to be used after removing your face mask. Stay Safe

THE PEACE

No hugs in church yet please! We are about to learn and use the sign language sign for "Peace be with you"

Training seminar

Young people, drugs and alcohol – what every churchgoing parent, grand-parent and care-giver needs to know.

This is a webinar presented in partnership with the local drugs awareness charity the Daniel Spargo Mabbs Foundation. It is about the levels of young people's exposure to drugs and alcohol; what children and adults in Christian families (or any families) need to know about the risks; the brain development and other factors that affect young people's decisions; how to have effective conversations with your child and practical suggestions for what you can do to support them to stay safe. The DSM Foundation was set up by Southwark churchgoers Fiona and Tim Spargo-Mabbs in 2014 after the tragic death of their 16-year-old son Dan as a result of taking ecstasy (www.dsmfoundation.org.uk). The session will be led by Fiona Spargo-Mabbs and drugs educator Ruth James.

Wednesday 30 June, 7.30-9.00pm, Zoom, free

WISDOM GROUPS: John 3: 1-8

- 1 What word or phrase stands out for you from this short reading?
- 2 What images would you use to illustrate this reading?
- 3 I wonder if you ever use Night time as the place for sorting things out?..why might that be and how helpful do you find it?
- 4 What might be the significance of Nicodemus coming to Jesus by night?
- 5 Have a go at rerunning the conversation between Nicodemus and Jesus...you might do this in pairs or play it through in your head. What was the conversation really about?
- 6 What does it mean to you to be born anew, I wonder? What is your experience ?

CONGRATULATIONS to Sally Crabtree...

Sally, who we worked with on the Lent parcel pet project has been commissioned to run a G7 workshop and was able to choose any group of people to work with. She has chosen the Key stage 1 children from Madron Daniel school ...such a great experience for that group of children. Hilary our headteacher is delighted and there is a chance the workshops will be filmed and shared as part of the cultural sector's G7 contributions.

A prayer for Dementia Action Week

**Tender God,
pour your grace on all who are
living with dementia
and hold them in your care.
When memories are confused,
take away the fear;
when faces are unfamiliar,
take away the loneliness.
We pray for all who love someone
with this illness
and grieve for the person they
once knew;
and for all who care for someone
who is ill
and need strength and patience
to continue.
When so much is lost, O Lord,
may your deep and comforting
love endure.**

Archdeacons' Visitations : Tue 29th June 7.30pm via zoom...

And St Peter's Church Newlyn: 7.30pm Followed by wine and nibbles

We are writing to you regarding the forthcoming Archdeacons' Visitations. Visitation Services present an important opportunity to encourage, support and pray for Churchwardens. In particular the 'Archdeacons' Charge' gives us as Archdeacons a chance to thank Churchwardens for their ministry and to publicly endorse their important role in the leadership of our parishes. Although with the current ease in lockdown we would have liked to have held this year's Visitation Services in person, due to the current uncertainties regarding Government advice and the logistical implications this poses, Visitations this year will now take place online only. As well as Churchwardens and clergy, readers, licensed ministers, family and friends are also welcome to attend.

ON THE WAY....deanery reordering plans continues ...

“The most important lesson I’ve learned is not to put God in a box that is too small. The imagination of God is beyond the imagination of humans, and we should not be surprised by anything, but be delighted by how creative God is.”

Revd Pamela Conrad, astro-biologist working on the 'Ingenuity' Mars rover project for the US space agency NASA:

The deanery focus groups have been meeting over the last few weeks to reflect on all the information that has been sent in from parishes in this deanery, to reflect on the perceived needs and visions of people. Their findings will be presented to the enlarged deanery synod on **Tuesday 25th May at 7pm**. The responses from this group will help with the next stage of this work....and how to shape this deanery so that we move forward fruitfully and sustainably over the next number of years. It is indeed both a huge challenge and opportunity. Please pray for all those involved....and for all people of our churches that we might embrace change and challenges for the sake of the gospel.

WE WILL ALSO SHOW THIS MEETING ON TV AT ST MARY’S CHURCH PZ for those who do not do zoom

Dear All,

You are being invited to book into the next 'On the Way' Deanery Synod meeting is happening on Tuesday 25th May at 7pm on Zoom.

This is a particularly important meeting as it is the promised follow-up meeting that was flagged at the On the Way Launch Meeting.

The purpose of the meeting is to hear from the Leadership Group the emerging themes of Fruitfulness and Sustainability that have been identified during the Benefice visits and from the completed Benefice Audits.

This meeting is open to ANYONE who might like to attend to. Please circulate this to anyone who is not included in the above categories and I would ask clergy to encourage people to attend.

The team have asked that those wanting to attend BOOK IN.

This means they will know how many people will be there so they can structure the event accordingly.

You can book in using the following link <https://bookwhen.com/trurodiocese#focus=ev-s5mu-20210525190000>

(As the Zoom link and agenda will sent out to those who book in using the above link it is important you do so if you plan on attending.

Kind Regards
Lydia Remick
Penwith Deanery Secretary
