# Merry Christmas!

Windrush Place Christmas  
activities for all ages

## Christmas Greetings!

We have planned a number of events and activities for all ages, to help make Christmas a more special time.

We look forward to seeing your creations and to singing carols with you at a distance in just a few weeks time.

The Christingle is fun to make and to eat then will be a perfect light for carol singing, with parent supervision of course!

Decorating Christmas windows can be done so many ways and helps to bring joy inside and outside our homes.

Whether you can join in or not, may I take the opportunity to wish you and your families a very merry Christmas.
