**Objectives and Activities**

We aim to serve our communities prayerfully, and to work together with friends within the church community and beyond, aiming to play our part in the building of God's Kingdom and helping people to experience God's love and grow as disciples of Jesus. We enjoy each other's company as we celebrate God's hope and life and the beauty of creation.

**Financial Review**

The total amount of everyday income, which excludes restricted funds, for the year fell from £64k in 2018 to £63k in 2019. The total amount of everyday expenditure increased from £63k in 2018 to £69 in 2019. The everyday, or unrestricted, deficit for the year was £6k (2018: £1k surplus).

Income specifically relating to pledged giving, which includes tax reclaimed, for this year rose from £33k in 2018 to £38k in 2019. Fund raising activities reduced from £6k in 2018 to £5k in 2019.

The overall deficit, including restricted and endowment funds, was £37k (2018: £64k surplus) due to the expenditure from the restricted funds that were received in 2018.

"The 2019 Parish Share was not paid in full. Discussions with the Diocese concerning exceptional circumstances connected with the payment of historic Parish Share and Diocesan Fees amounts, it was accepted that there might be an outstanding Parish Share balance of £5,000 to the Diocese for 2019. In return we committed to pay the 2019 Diocesan Fees in full, which we did, and to commit to pay our net 2020 Parish Share.

The Chair of Ely Diocesan Board of Finance sent a message of appreciation to the PCC Treasurer and to church members, thanking them for the tremendous commitment and generosity they have displayed in their ongoing effort to improve the church's financial situation. Many church members have reviewed their general giving, and many now give via the Parish Giving Scheme. The Parish Giving Scheme helps reduce administrative overheads, and so is encouraged as a giving method for those who feel able to use it. The PCC is of course grateful to all givers, whatever method they use..

Our Heritage Lottery Funded project 'Keeping the Water Out, Bringing the Community In' project finished in December 2019, following an authorised extension to the grant term. The project was hugely beneficial in enabling us to extend out wider community links, and in involves addressing drainage-related problems caused by accumulated debris left by roosting pigeons, clearing gutters and down-pipes, installing anti-roosting devices to deter roosting birds and putting on a programme of community-related activities based in and around the church building'

Church members are also asked to consider whether they might want to make provision for future congregations by leaving lasting bequests or gifting through their wills. As a congregation, we currently benefit from various bequests and gifts that were left by Basil Slack, Grace Norman, Mrs Jill Clark and Arthur Lyon, in addition to the Cowell and Peacock bequests which were substantial for their time and have been particularly important in allowing us to fund general Church ministry, the youth ministry, and repairs related to the roof, bells and tower. The financial outlook is still concerning, but we are making progress.."

*Principal funding sources*

The regular sources of funds for normal operations are charitable donations from Church members, fund raising activities which bring in contributions from the wider community, statutory fees due from weddings and funerals, and interest and dividends from our investment holdings. Additional sources of income come from Soham United Charities and an annual grant from Pembroke College towards the cost of our insurance premiums in respect of the Chancel.

*Investment policy*

St Andrew's reserves are invested with the CBF Church of England Funds, and in deposit accounts operated by the Diocese, which are reviewed regularly.

**PAROCHIAL CHURCH COUNCIL OF ST ANDREW SOHAM  
PAROCHIAL CHURCH COUNCIL'S ANNUAL REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2019**

---

*Reserves policy*

The level of reserves that will be maintained will be sufficient to ensure the Church continues to function throughout the ensuing year. Unusual income, such as bequests and occasional unrestricted lump sums, for use in funding non-regular needs, are held in reserve as designated funds. The Charity aims to hold in excess of one year's worth of running costs (around £70k). At the year end the total funds held were £181k, of which £68k were restricted funds and £120k were endowment funds leaving a deficit on free reserves of £7k.

*Principal risks and uncertainties*

"The quinquennial inspection of St Andrew's Church building carried out in 2017 and subsequent more localised inspections have highlighted the need for very considerable urgent restoration work to be undertaken as soon as funds are available to carry it out. Temporary patch repairs of the roof began in 2017 and are ongoing. The tower was cordoned off for safety reasons in February 2018 and will remain so until the entirety of its surface can be repaired. A successful bid to the Heritage Lottery Fund (HLF) made in summer 2018 will permit relatively small-scale works in early 2019, designed to address the building's drainage problems. A successful bid to the Coop Community Fund made in April 2018 means that St Andrew's Restoration Appeal was one of the Co-op's local causes to which Co-op members could choose to donate their 1% spend between November 2018 and November 2019. A second funding application to the National Heritage Lottery Fund was submitted in November 2019 and the outcome should be known in late March 2020.

*Volunteers*

The life of St Andrew's Church relies on the ongoing prayer, commitment and contribution of members of its congregation and very many other volunteers throughout the year. Their efforts are greatly appreciated: we could not begin to manage without them. It was been really encouraging to see our volunteer base grow in 2019, and we are grateful to all our volunteers, both old and new.

**Public benefit**

The trustees, in setting their objectives, have had due regard to the public benefit guidance issued by the Charity Commission.

**Plans for future periods**

We look forward to the coming year, and in particular to:

- Continuing to develop the spiritual and pastoral life of the church and wider community
- Developing our links with the wider community, including with friends from other Christian churches and fellowships, with our local foodbank, Soham's schools and with residential/nursing homes.
- Carrying out future heritage-related community activities outlined in our most recent NLHF bid.
- Continuing to work to bring in funds for both every day running costs and large-scale restoration work, applying to register with the Charity Commission as a registered charity in anticipation of receiving large-scale grant monies taking us over the <£100,000 annual turn-over threshold for exempt charities.

FOR THE YEAR ENDED 31 DECEMBER 2019

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

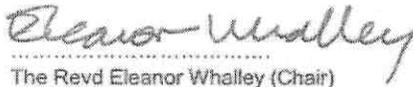

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**PAROCHIAL CHURCH COUNCIL OF ST ANDREW SOHAM  
INDEPENDENT EXAMINERS' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2019**

---

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2019.

**Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**PAROCHIAL CHURCH COUNCIL OF ST ANDREW SOHAM  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2019**

---

**1 Accounting policies**

**(a) Basis of preparation**

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Church Accounting Regulations 2006 and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.

**Going concern basis**

The trustees consider that the going concern basis is appropriate as they consider the reserves levels to be sufficient to ensure that the trustees can meet their financial obligations for the next 12 to 18 months and on that basis the entity is a going concern. The trustees have considered the potential impact of Covid-19, which occurred after the year end. The trustees do not believe that the impact of the virus will have a material bearing on the going concern of the entity thanks partly to the Diocese reducing the monthly Ministry Share payments in 2020.

**Financial Reporting Standard 102 - Reduced disclosure exemptions**

The trustees have taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102:

- the requirement of Section 7 Statement of Cash Flows.

**(b) Funds**

Unrestricted funds represent the funds of the PCC that are not subject to any restrictions regarding their use and which are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also treated as funds which have been given for a particular purpose and which are therefore not available for the general purposes of the PCC, but only for this particular purpose.

**(c) Income**

Income from planned giving and collections are recognised as received. Income tax recoverable on covenants or gift aid donations is recognised when the related income is recognised. Grants and legacies are recognised when the amount falls due. Rents and investment income are recognised when receivable.

**(d) Expenditure**

Expenditure is recorded when payable, and where unpaid at the year end are included as creditors.

**(e) Fixed assets**

Consecrated property is not included in the accounts in accordance with s.10(2)(a) and (c) of the Charities Act 2011. Assets listed in the Church inventory, which require a faculty for disposal, are inalienable property and not included in the accounts. For inalienable property acquired prior to 2015 there is insufficient cost information available and therefore such assets are not valued in the accounts.

Items acquired since January 2015 will be capitalised and depreciated in the accounts over their currently anticipated useful economic life where the cost is deemed sufficiently material.

**(f) Investments**

Investments are stated at market value.
