The Bible has a lot to say about the importance of worship ...but why? If God is so awesome and Almighty, why does he need our worship?

God doesn't need our worship to make Him feel better. We need to worship to help us feel better! Perhaps the Old Testament is so full of instructions as to how to worship in a way pleasing to God, because He knows how forgetful we can be! A poster outside a church read

'Problem of ancient times: IDOL worship

Problem of modern times: IDLE worship'

The Psalmist wrote in psalm 95: 6 'Come, let us bow down in worship, let us kneel before the Lord our Maker.'

He knew that the habit or practice of coming before God helps us to remember that God is so mighty, is faithful and is forgiving. We need to worship.

We need to worship because without it we can easily forget that we have a great Big God beside us and we will live in fear.

We need worship because without it we forget His calling and live in a spirit of self preoccupation.

We need to worship because without we lose a sense of wonder and gratitude and plod along with blinkers on.

We need to worship because we encourage each other and ride life's storms together, without that shared experience of worship we become isolated and cold like an ember that falls from the fire will grow cold.

We need to worship because of our natural tendency to self reliance and stubborn independence.

Worship is not dependent upon whether we sing hymns, psalms, choruses or songs, whether we gather in a cathedral church, chapel or cafe. It is dependent upon our attitude and openness to God.

A quote for John Piper which I find really helpful is that **'worship is an inward feeling and an outward action that reflects the worth of God.'**

When we see worship as not just what we do in church on a Sunday but as potentially every minute of the day, then worship will not be boring or dull but dynamic and exciting and a natural expression of our love and gratitude to God.

However, let's not use that as an excuse to NOT

come together to worship on a Wednesday, Sunday or at Messy Church! We need to worship together too, to encourage and share together.

The Lent course will also help us discover how the newly growing church in New Testament times worshipped together.

Another poster said 'if you can't find God, start worshipping and He will find you.'

GAP Prayer

Lord Jesus Christ,
you command and inspire your church to make disciples:
may our church become a joyful and vibrant community of welcome, worship and service, spreading hope to those around us and attracting others to the fire of your love;
may your Spirit be at work through our Growth Action Planning, helping us to catch a vision for your church and to serve you faithfully, to your glory and honour. **Amen**

Good Friday Walk of Witness

This **Good Friday April 3rd** we will be remembering Jesus' Passion in both St Nicholas and St Michael's Churches with a **walk of witness**. There will be a half hour service at **St Michael's Church** in Shotwick at **2pm** and those who would like to will then walk across the fields to **St. Nicholas Church** in Burton.

There will be refreshments at St. Nicholas for those who will travel by car instead of walking from 3.15pm and then another half hour service at **4pm**.

All ages are welcome to join us but please don't worry if walking isn't for you! There will be quite a few who will be going between the churches by car.

Using Astronomy to Date The Crucifixion

The Bible does not give us the exact date of Christ's crucifixion, or even enough indirect information to pin it down with certainty. However, the crucifixion coincided with a partial eclipse of the Moon, and this helps us decide on the most likely date.

The only certainty about the date of the crucifixion in the Bible is that took place during the ten years that Pontius Pilate was in charge of Judea. This was from A.D. 26 to 36.

There is a complication in trying to date biblical events. Our months and days do not coincide with those of the Jewish calendar, which is implicit in the information given in the Gospels. Jewish days start and end at 6pm in the evening, and Jewish months straddle our months.

All the Gospels agree that Jesus died a few hours before start of the Jewish Sabbath. This commences at 6pm on a Friday evening. The Gospels agree to within a day that it was the time of the Passover - the annual Jewish feast held at the time of a full Moon. Newton's Laws of Motion allow us to calculate when the Moon is full - not forgetting of course that it is a full Moon as viewed from Jerusalem that is needed.

Passover time was precisely specified in the official Judean calendar. It took place on the 14th day of the Jewish month that straddles our March and April. The

Passover meal had to begin at moonrise that evening. Again Newton's Laws allow calculation of the time of moonrise (as viewed from Jerusalem).

It is recorded in the so-called "Report to Pilate" (a documentary fragment from the New Testament Apocrypha) that at Christ's crucifixion "The moon appeared like blood." The phrase "the moon appeared like blood" almost certainly refers to an eclipse of the moon.

For an eclipse of the moon, the Earth comes in between the moon and the sun, and so casts a shadow on the full moon. The reason the moon is red is easy to explain. Although in the Earth's shadow, some sunlight still reaches the moon by being refracted (or bent) by the Earth's atmosphere (just like light in a prism). While travelling through the Earth's atmosphere all the colours that make up white light (the rainbow) except red are easily scattered by the gasses and dust in the air. So it is mostly red light that travels on to illuminate the Moon.

Newton's Laws can be used to calculate to a few seconds the times of all past lunar eclipses. In the period AD26 to 36 there was only one lunar eclipse at Passover time visible from Jerusalem. The date referred to our calendar is **Friday 3 April AD33**.

On that day moonrise did not occur until 6.20pm, just after the start of the Sabbath when the Passover feast

was to start. The moon would have appeared with about 20% of its disc eclipsed. It would have been observed by most of the population of Israel, since the Jews on Passover day would have been looking for sunset to signal the start of the Sabbath, and Moonrise to signal the start of the Passover meal. Instead of seeing the expected full "paschal moon" they would have seen a full Moon with a large red crescent superimposed upon it. The effect would have been very dramatic.

Finally, it is interesting to note that the Last Supper could not have been a Passover meal, and this may lie at the heart of the difference in the Gospels as to the actual day of the crucifixion.

Heavens Door

I was shocked, confused, bewildered
as I entered Heaven's door,
Not by the beauty of it all,
by the lights or its decor.

But it was the folks in Heaven
who made me sputter and gasp--
the thieves, the liars, the sinners,
the alcoholics, you know the kind of trash.

There stood the kid from my old school
who swiped my lunch money twice.
Next to him was my old neighbour
who never said anything nice.

Fred, who I always thought
was rotting away in hell,
was sitting pretty on cloud nine,
looking incredibly well.

I nudged Jesus, "What's the deal?
I would love to hear Your take.
How'd all these sinners get up here?
God must've made a mistake.

And why's everyone so quiet,
Come on, give me a clue."
"Hush child," said He "They're all in shock.
No one thought that they'd see you."

You do not need to pray aloud; many pray in silence.

Holy Communion Soup & Sandwich

Monday 2nd March at 11.30am

Monday 6th April at 11.30am

*An informal Holy Communion service for all who find it hard to get up to the church building, followed by a soup and sandwich lunch in the **Glasshouse** at Burton Manor.*

Dementia Friends

Join us on either **Thursday March 12th** at 7.30pm or **Sunday March 22nd** at 11.15 am in St Nicholas' Church to be trained as a Dementia Friend. Refreshments will be provided.

The training only last 45 minutes as is run by two local practitioners Kim Dawson and Katrina Moore. **Dementia Friends** is about giving more people an understanding of dementia and the small things that could make a difference to people living in their community.

It makes such a huge difference to people with dementia if those around them know what dementia is and how it might affect them.

Please do come along. It would be good to have everyone, whatever age, to come along and see how we can all help in a small way.

Come and Join a LENT Group

This Lent we're running another York course called 'Praise Him' based on songs of praise found within the New Testament.

If you have never been to a group before, please do come long, it's informal, there will be refreshments and it's a good, none threatening way to explore the Bible together.

Groups are meeting on

Tuesdays at 8pm at Church Cottage, Burton Village from Feb. 24th

Wednesday at 2pm at 20, Winstanley Rd, Little Neston from Feb. 25th

Wednesday at 8pm at Danescourt, Mudhouse Lane, Burton from Feb. 25th

You don't have to attend the same group each week but can change if you need to.

Copies of the course can be bought for £3.50 from Tony Carter. If you'd like to join a group sign up sheets will be at the back of church or contact me on 353 0453.

2nd Willaston Brownies are Recruiting NOW!

We meet in Willaston village on Mondays between 5.45pm and 7.15pm

Would your daughter like to find out what we do at Brownies?

Would she like to join in on all the fun?

Brownies are girls aged between 7 and 10 years old and don't need to have been a Rainbow previously to become a Brownie with us. Nor does your daughter need to live in Willaston village as we belong to the Girlguiding area of Hinderton which covers Burton, Ness, Neston, Parkgate and Willaston.

For a chat and perhaps to arrange a taster visit for your daughter at one of our Brownie meetings on a Monday, contact:

Sheena, Brown Owl on 0151 327 7138 or email: sheena.chalmers@talktalk.net

It is some time since our Brownie unit has been able to offer places on a Monday, so don't miss out on this opportunity.

Looking forward to hearing from you!

Mothers' Union Report - February 2015

At the AGM, last month, was the opportunity to look back at the year gone by and to look ahead to new interesting events to take place this year.

First of all, I would like to thank our retiring committee members Betty and Maureen for their contribution in past years, thank you to the ladies who are continuing to sit on the committee and welcome to Hazel who has consented to join us. Thank you all for your invaluable support with a special mention to Ruth our Secretary and Val our Treasurer. This month our guest speaker is Penny Allen who will demonstrate "The Mothers Union in a Simnel Cake".

There are some important events well worthwhile for your consideration later in the year:-

May 12th: The Diocesan Festival at Chester Cathedral. The new Bishop of Stockport - only ordained recently as the first woman Bishop, Libby Lane, will officiate. Lynne Tenby the World Wide President will be the guest speaker.

June 3rd: Deanery Afternoon tea at St. Thomas' Church, Ellesmere Port. A most enjoyable event.

In November there will be a Provincial Thanksgiving Eucharist in Chester Cathedral. Bishop Peter will preside.

As a group we stand firmly committed to the aims of the Mothers Union to support this worldwide

organisation in whatever way we can and our fundraising efforts have been most successful to this end. But what is just as important is the opportunity for us as a group to meet socially to share each other's good news and to give support to those who need it in difficult times.

It is with this in mind that we would welcome new members to our group. Here is the opportunity to meet together to discuss problems, and for those who live alone to feel less isolated. We enjoy our monthly meetings with guest speakers and outings, and most of all tea and cake and a chat.

To join us phone anytime. My number is 0151 336 3635.

Josie Isaacs

As indicated in the diary of events The Mothers' Union Bible Studies Group will now be held after Holy Communion on the first Wednesday of the month.

The next dates are March 4th and April 1st.

Thank you.

March Brings Breezes Loud & Shrill...

Having survived the cold snap, hopefully the spring bulbs will burst into a blaze of colour both in the garden and various tubs and pots. Harry Lauder's Walking Stick (twisted hazel) has masses of catkins which are lovely in flower arrangements. The Buddelia Davidii which had one-third of growth taken off prior to the winter have now been pruned hard back. Their florets are a haven for bees and butterflies in the summer. Of course, top of the agenda is seed sowing and the first seeds to be sown are the Sweet Peas. The varieties chosen this year are White Frills, Zillah Harrod, John Adie etc. These will be sown on or around the 16th March. Before that the greenhouse needs a further cleaning and a good sort out. Seed sowing is quite easy; it is the pricking out of the seedlings which takes most of my time, so most of my time will be spent in the greenhouse. Hebe seedlings were planted in various parts of the garden and these seem to be thriving. Some new roses will be planted this year but the variety is yet to be decided.

The fieldfare only appeared in the garden to feast on apples when it was cold. A few blackbirds appeared and masses of sparrows. Only one blue and one great tit but four long tailed tits visited occasionally. Jenny Wren is a frequent visitor and of course Robbie Robin visits daily (especially around breakfast time!)
