

INSTRUCTIONS

Rainbow Bookmark

You will need: paper, scissors, glue stick, template, pens/pencils

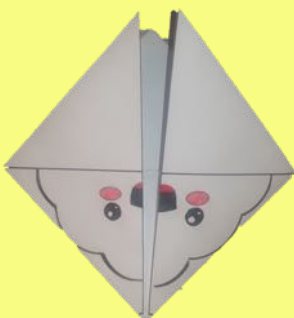

Cut and colour the template.

(Set the rainbow aside). Fold the blank side of the square into a triangle so that the cloud is on top.

Turn the triangle over and fold the top tip of the front layer to the bottom creating a pocket.

Grab the left and right corners of the triangle and bring them to the top.

INSTRUCTIONS

Rainbow Bookmark

Tuck each corner into the pocket and flatten your bookmark.

Cut out the top of the cloud shape. (Be careful not to cut all the way around it or it will fall apart).

Glue the rainbow behind the cloud to complete the bookmark.

Start using it!
