

# INSTRUCTIONS

## Tissue Box Aquarium

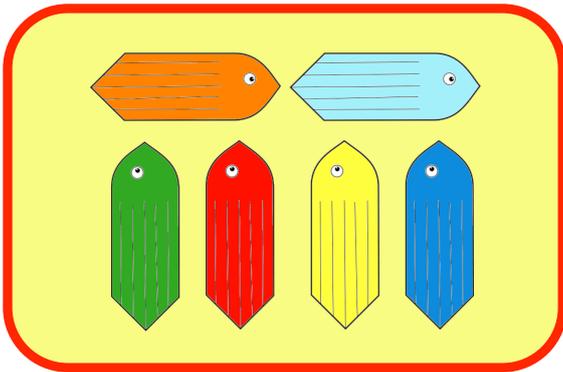

**You will need:** paper, scissors, thread, pens/pencils, glue, tissue box, pipe cleaners/tissue paper, sticky tape.

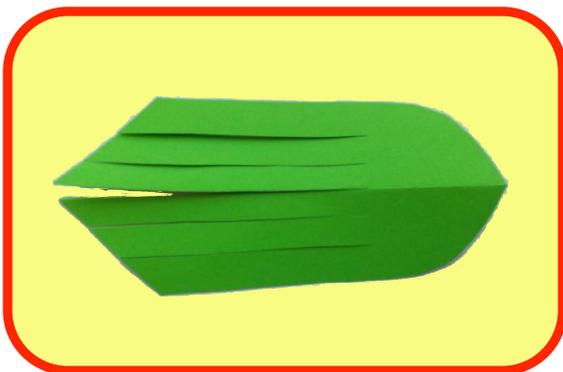

Cut the tissue box hole into a rectangle to be the aquarium. Cover the box (except the hole) in any paper to decorate it.

Twist some green pipe cleaners or tissue paper to be seaweed and stick to the bottom of the box with sticky tape.

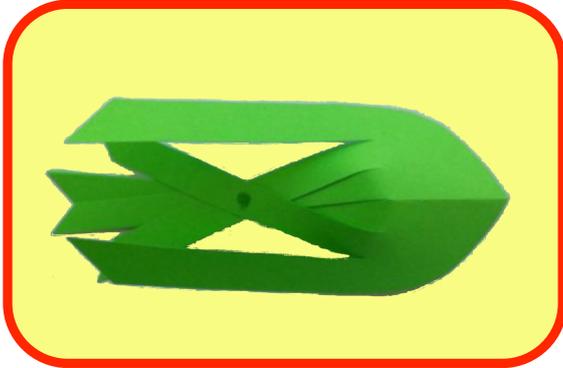

Colour the fish templates.

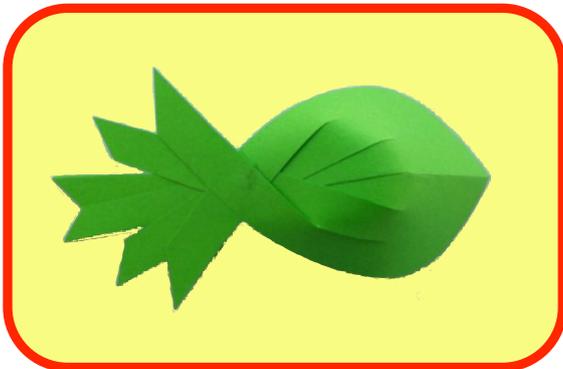

Carefully cut out the fish, including along the 5 lines.

# INSTRUCTIONS

## Tissue Box Aquarium

Lay strips 2 and 5 on top of strips 3 and 4 and glue in place.

Lay strips 1 and 6 on top of what you have just stuck in place and now glue those in place too.

Pierce holes in the top of the box and hang your fish.

Maybe add some of the other things you have made this week!
