Message from Gareth and Family

We have finally moved in to the vicarage and continue to battle empty boxes. Whilst this happened over weekend we decided to close the church for public worship. It is with a heavy heart we have decided to close for public worship but I feel that given the rising case numbers and the spread of the new variant it is the wisest decision. We will continue to review the decision and will look to re-open as soon as we feel it is right to do so.

Notices

Geoff Watson

It is with great sadness to type that Geoff Watson passed away on the 12th January. Our thoughts are with his family at this sad time.

Bereavement Group

We will be hoping to restart the group meeting up for support in March. From Lorna and Janet.

We want your photos please!

We are trying to improve our social media pages and we want to show Farsley what a great group of people we are at St. John's. We want to make a photo montage including as many people from our congregation as possible. Please send us a head and shoulders photo of yourself. It is easier if it is one photo per person so if 2 or 3 of you come to church from your household, please send separate pictures. Pictures of you doing activities in church or the hall are also useful. By sending us the photo you are telling us that you are happy for us to use the photo in a montage of images of people from church on our website, Facebook, Twitter and Insatagram and A Church Near You. Please email them to website@stjohnsfarsley.org.uk – thank you.

Public worship suspended until further notice

We are sorry to announce that St John's is now closed to prevent the spread of coronavirus and all our regular weekly services will now take place online only.
