

A Word from the Walkers

Autumn 2019

Philippians 1: 6 "Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."

Dear Friends,

Thank you for your prayers and partnership with us as we serve in Panama. We appreciate you very much and your part in our lives and ministry! In May Hazel's mother fell and fractured her hip. **As a result she is in need of full time care so Hazel is fulfilling that role.** Clive is in Panama carrying on the ministry. Because of this there is possibly a minor change in our ministry in the future but we will keep you informed.

In April Clive was supposed to go to Toncri for the annual Easter conference but due to a kidney infection he was unable to travel. Two men from the Atalaya Church did go and Hilario was able to help with the teaching. Over 250 people attended the conference!

In May the church in Atalaya had a weekend conference. The speaker was Roland, a missionary to Colombia. Everyone was very happy to be able to meet in the new building!

Church Building

Recently the work on the building project continued and the roof was completed, the security bars were put on, one bathroom was made useable, a water tank installed and the grounds were levelled. In June the contract for the rented shop was up so the meetings were moved to the new building.

Please pray for continued safety for the workers

In the next few months Clive will be working on installing the Electricity, the water, and the doors, building a security wall at the back of the property, and demolishing the old house that was originally on the property. So plenty going on!

Caleb

Thank you for praying for baby Caleb. On **28th August he will have an MRI at Dundonald Hospital.** Soon after that, if everything is ok with the MRI, he will have the operations to put in the cochlear implants. **Please pray that everything will go well and according to God's timing.**

Pray for the shipment of the 2020 Calendars and for the distribution to churches all over the country.

Thank you so much for all your prayers and support for the ministry in Panama among the Latin and Buglere People.
