Black History Month celebration
Saturday 12th October 2024, 6-9 pm

Our theme this year focuses on celebrations "Where we come from" in Africa and the Caribbean.

Members of St Oswald's congregation will share their memories of wedding traditions and other important events, and show the special clothes, precious objects, music and other important rituals associated with these joyful occasions. And of course every good wedding ends with a dance!

You are invited to dress up, bring a dish to share and join the celebrations!

RSVP Bevon West, Hall Manager

Hospital Chaplaincy

It is many years since it was assumed that people coming into hospital would wish for the services of a chaplain and be asked their faith and denomination.

If you, or someone you love, is taken into hospital – let the staff know that you / they would like to be made known to the hospital chaplaincy team who can visit and help with any spiritual needs.

Director of Music for St. Oswald's

We have started our search for a new Director of music. The details are in the 'What's On' section of our website www.stoswalds.org.uk

If you know of someone who would be interested in this post - please draw their attention to the information/
