## From the Vicarage

Being British is something I cherish deeply. It's more than cups of tea, champion queuing, or the art of the profuse apology. At its best, it's a rich tapestry of history, resilience, generosity, and quiet strength. Reflecting back on last month's 80th anniversary of VE Day, we remember a moment when that resilience helped bring about peace in Europe—hard won, deeply felt, and never to be taken for granted.

Being British is also, unavoidably, to be shaped by Christianity. Our language, our laws, our care for neighbour, our heritage, our songs and our hopes—all bear its imprint.

To varying degrees, this is something we share with other cultures and nations. You can't really understand Italy without Christianity—or Nigeria, or Brazil, or the USA or myriad others. Every continent bears the marks of this Way of faith that has travelled, rooted, and blossomed.

That's part of what makes the recent appointment of the new Pope so compelling. An American citizen, naturalised Peruvian, multilingual, and now a global Christian witness. Pope Leo reflects something of the Kingdom of God: beautifully diverse, joyfully shared, and united not by sameness but by Christ.

Victory sits at the heart of Christianity—on a hill outside Jerusalem, where Jesus died and rose again. The battle truly is already won—not just for one nation, but for all humanity and creation. We live in the hope of that truth: beating swords into ploughshares, welcoming strangers as friends, and seeking peace that lasts.

80 years after Victory in Europe started the break out of peace, let's give thanks—for the courage of those before us, the gift of our own nation to us and all creation, and the joy of a Gospel that belongs to every land, every language, and every people.

## VE Commemoration in Long Bennington

The Long Bennington Bowls Club hosted and organised VE celebrations for all villagers to attend commemorate this special occasion.

We started with raising the VE Commemorative flag on Thursday morning. There was a further ceremony at 9.30 p.m. with the lighting of the lantern, after which we sang "I Vow To Thee My Country".

Friday evening saw the start of celebrations, with many people from the village joining members of the club for a fun-packed evening.

The club was full of memorabilia - and the more eagle-eyed were able to spot Maggie Smith aged 8yrs from a photo of the time.

We enjoyed "rations" of burgers and hot dogs - accompanied by non-rationed drinks from the bar! Some were also lucky enough to enjoy one of Sue's delicious home-made buns with themed icing.

Following the food, there was a singsong of old favourites from the 1940s. The 1940s-themed quiz had a nail-biting finish -narrowly won by Colin, Sue, Stuart, Nadia, Helen and Jenny on a knockout question following three tie breakers! Thanks to Quizmaster Steve Sorby for a quiz which was up to his usual high standard.

Thank you to people who generously donated raffle prizes. The £320 raised from the raffle and the sale of food on the night will be donated to the Royal British Legion.

As always, we are grateful for the support of Bowls Club members who provided and served the delicious food, worked cheerfully behind the bar and helped to set up and clear away.

We were pleased to showcase our wonderful bowling green and club house and open it up to the village - let's hope we see some of you again soon!

A big vote of thanks goes to Sue and Colin Brown who organised everything from start to finish.

### **Eliminate landfill of medication packaging**

Allington WI - still collecting empty blister packs – there is a bin in the Village Hall Post Office and one in the serving area where anyone can put their empty blister packs – many thanks. For further information please contact [allingtonwi@gmail.com](mailto:allingtonwi@gmail.com)

### **RECYCLING STAMPS AND USED PRINTER CARTRIDGES**

For further information email [allingtonwi@gmail.com](mailto:allingtonwi@gmail.com)

**DO YOU HAVE EMPTY BLISTER PACKS FROM MEDICATION?**

**PLEASE RECYCLE THEM**

Lots of us end up with lots of empty blister packs, and most end up in landfill. ALLINGTON WI ARE COLLECTING THEM TO RECYCLE AND HAVE PUT TWO BINS IN THE VILLAGE HALL – ONE OUTSIDE THE KITCHEN (SERVING AREA) AND ONE IN THE POST OFFICE.

If you visit Grantham, blister packs can be recycled in Superdrug in the Isaac Newton Centre.

### **BEAT THE SCAMMERS**

I was recently reading an article about “Crash for Cash scams”. In addition to causing car crashes so that they can make false car insurance claims, criminals are now trying to extort cash from their innocent victims at the scene of the crime. They try to cause an accident and then blame us for it. They might even set up situations where we believe we have hit the “victim” personally.

- Tip 1: Never ever agree whose fault it is. Do not engage into discussions with the “victim”. If they are pushing or rushing us, or asking us for money, step back and call the police on 999
- Tip 2: Gather as much as possible information. Take a video of the accident on your phone. Is there any dashcam or CCTV footage?
- Tip 3: Look for unrelated witnesses (not friends of the “victim” who are in on the case) and get their contact details.

## ST PETER'S FOSTON – NEWS FROM THE PEWS

### Here are our Services over the next couple of months for your diary:

15th June – 3pm Holy Communion

20th July – 3pm Holy Communion

Holy Communion is also available at Long Bennington on the 2nd and 4th Sundays of the month, so we hope congregations will visit other churches. The Church remains open to all, twice a week for private prayer on Wednesday (1-4 pm) and Sunday (9.30 am - 1pm). Please feel free to use the church for quiet contemplation and prayer.

### VE Day Celebrations

Foston once again held a wonderful village event on 5th May to commemorate and celebrate 80 years of VE Day. St Peter's was open over the weekend and on VE Day itself, displaying an amazing range of war memorabilia and information on service men and women who hailed from Foston. The main event was a village picnic at the Village Hall where a hog roast was available along with an array of homemade bakes, including a wonderful celebration cake beautifully curated by Debbie Starr. The bar was open and tea was plentiful – over 250 residents joined in on the day!

A raffle was held to fundraise for Help for Heroes. Foston Neighbours held a plant stall and kindly split their donations between Help for Heroes, St Peter's Church and Foston Neighbours. The WI also passed refreshment donations to the chosen charity, Help for Heroes. Over £500 was raised for Help for Heroes, demonstrating an ongoing commitment to servicemen and women.

Huge thanks to the team of workers who coordinated and worked tirelessly to make this event happen, plus the numerous residents who helped set up and clear up on the day.

What a fantastic village spirit!

### Current planned events for 2025 are:

**7th June** – Open Day at the Church (10am-2pm) depicting its current uses as well as its history. Tower Tours planned, weather permitting. Do come and visit and see what is needed to

**6th July** – Afternoon Tea in the Garden – look out for the posters and messages about the full details closer to the date!

**September** – Heritage Open Days – once the dates and theme have been announced we can develop our offering, but we are likely to have a speaker on the heritage of the church, tower tours (weather permitting) and the Village Heritage Trail.

**21st September** – Harvest Service (3pm) followed by Harvest Supper on Monday 22nd September

**9th November** – Remembrance service (4pm)

**November** – Wine Tasting – date TBC ....

**December** - Carol Service and possible advent festival – dates and themes tbc.

**24th December** – Christingle Service (4pm)

**Coffee Morning:** Come and join us for chat and homemade cake on the first Wednesday of the month. So many have been attending recently so it is clearly the place to be! Just £2.50 for all this... At the Village Hall from 10-11.30am on the following dates: 4th June 2nd July 6th August

### Regular Giving

Money makes the world go round .... And it certainly helps to keep the Church well maintained. Only a small proportion of our finances go to the Diocese to cover the cost of our Parish Vicar. The remainder is used to keep the Church standing, safe and open for all. If you would like to support St Peter's Church, you can set up either regular giving or one-off donations through the following website:

[www.parishgiving.org.uk](http://www.parishgiving.org.uk) and search for Foston St Peter.

Alternatively use this QR code:

For more details for anything listed here, please contact either Eileen Ross (tel 07710 534732) or Lucy Bliss (mobile 07740 980689, email [lucyjanebliss@gmail.com](mailto:lucyjanebliss@gmail.com)).

Our WI were not due to have a meeting, until 13th May, but supported the VE Day 80 Celebration which was a coordinated multi organised Foston event, supported by a grant from Sout Kesteven District Council, on the Monday 5th May 2025.

This was held at our village hall and was well supported by our villagers, even though the weather had turned rather cold, unlike the previous week. This meant tables and chairs were set up in our hall and marquee, for the braver ones. Pimm's was served and Terry barbecued a tasty Hog Roast, and some brought a picnic with them. Our WI kindly served refreshments, along with their homemade cakes. Debbie Starr made and decorated a 3-tier cake, with poppies cascading down this amazing cake. Two Veterans, Mark Whitney and Paul Rawlinson, kindly cut this which was soon demolished!

During the afternoon there was a Plant Stall, a raffle, to tempt everyone and games outside. The St Peters volunteers arranged a display of VE Day memorabilia, and several tables were decorated, with prizes for the best displays. Although the event was free to villagers, the raffle and some donations on the day were collected for Help the Heroes Charity.

Next meeting on 13th May – Discussion of the Resolutions, Craft & Social evening

## LONG BENNINGTON NEWS FROM THE PEWS

As many of you will know, St Swithun's Church, Long Bennington is one of nine churches in the West Loveden group. Worshiping, celebrating and working together are some of the joys of being in a large group. One such joint activity was the Good Friday 'Walk with the Cross' where members from the whole group, including several from St Swithun's, walked from Dry Doddington Church, via Westborough Church to Foston, where a short service of Passions Reading took place. Thank-you to Foston church for the lovely homemade refreshments on offer after the outside service.

Following Good Friday - on Easter Saturday afternoon, St Swithun's had a wonderful turn out of children with their families for some Easter-themed Fun activities (see photos) – this was one of the West Loveden Kids events. Thank-you to all of those who came along and well done to anyone who found the Easter characters on stones around the village. Those who handed in their finds took home an Easter chocolatey treat (if they hadn't already eaten it!) and an Easter Story book.

Over the Easter period, we also very much enjoyed having children's work displayed in church. A tissue paper flower-decorated cross made by children at the above event has adorned the nave. Also, the colourful class posters from Long Bennington Church of England Academy themed around the hope of Easter, remained in the church from their end of term service.

As ever, our great thanks go to the staff of Long Bennington Academy for their hard work facilitating this thoughtful artwork for and for preparing the service itself. It had been a real joy to hear the children narrating their own pictures at this event and to hear the choir singing.

Our next children's event is on Sunday June 15th – a Father's Day event from 10- 11.30 am at the Village Hall where there will be refreshments as usual, and a range of fun challenges for the family to take part in. Everyone is welcome to come along and join in! You are welcome to visit the church outside of services as it will be open on Wednesdays from 10am to 4pm until mid-July, when we hope repairs will start. There will be someone in the church during those times to greet visitors.

## FUND RAISING FOR CHURCH REPAIRS

As described in previous magazines the required repairs to the wall and main stained-glass window are going to cost around £50,000. We are continuing to monitor the success of our grant requests as well as conduct our own fund raising for the minimum of £25,000 that we need to contribute.

Flyers and correspondence requests are being sent to local businesses and those slightly further afield and we are really grateful for the generous contributions received to date. These will be used as raffle or auction prizes.

Our Summer Event plans are well on track – see full page poster below. There are two competitions described – so please have a go at entering one or both! The event organisers would love to hear from you if you can help in any way. Please contact us at: lbchurchrepair@gmail.com if you would like to offer your support.

Sunday 11:00 – 4:00

Our speaker this evening was Dawn-Marie Lesh, accompanied by her two dogs Logan, a golden Lab sniffer dog, and Memphis Blaine, her Rottweiler protection and security dog.

Dawn was a police officer for 20 years but is now self-employed working in the private sector and is a security and firearms dog handler. Sniffer dogs are now regularly used at events alongside bouncers and are trained to detect the main drugs carried by users, those being cannabis, amphetamine, cocaine, heroin and crystal meth. Ketamine has been added lately.

Two of our members were given 100% synthetic drugs to conceal on their person and we all walked past Logan, but he sniffed them out and sat down in front of the "culprits". When Logan locates drugs, he is given his beloved toy to play with, which is the only reward he wants as that was how he was trained. Police dogs normally retire at 8 years old but as Dawn is self-employed, her dogs stay with her for life, even then they can no longer work.

Her Rottweiler, Memphis Blaine, is a protection and security dog and can chase suspects for long periods and will not give up until he succeeds in finding them. His is also riot trained. Dawn works country-wide with her dogs but has worked for many years in Bristol during Freshers Week until June in a huge venue, where up to 5,000 people can pass through the doors in just a few hours.

Dawn and her dogs were a delight, and she encouraged our questions during and after her informative talk. The dogs were a great hit with us all – a happier dog you could not wish to meet, especially when he receives his reward

Our next meeting, entitled Communicating through Body Language, will be held on June 3rd, where Nancy Appleyard will explain how we can tell what those around us might be thinking.

## LONG BENNINGTON PARISH COUNCIL

The Parish Council had its Annual Parish Council meeting on 12th May at St James's Hall. Mark Newton and Geoff Fearn have both been voted back in to the roles of Chair and Vice-Chair.

The Parish Council meeting was preceded by the Annual Parish Meeting that was attended by approximately 30 members of the public, including some Parish Councillors and our newly elected County Councillor, Ken Bamford. There was a report from the Chairman of the Parish Council (available to view on the PC website), an introduction from CCL Bamford, a report from District Cllr Wood, a summary of the activities of Long Bennington Charities and a Q&A session. The main issues raised related to parking, footpaths and speeding in the village (responses/info covered below).

### **Parking**

No waiting parking restrictions (traffic regulation order) – LCC highways are in the process of organising school parking and other surveys. Once done, initial proposals are to be sent direct to the Parish Council for comment ahead of a consultation process.

### **Footpaths**

Footway site visits have taken place and assessments completed. Church Street is in the footway reconstruction programme for 2025/26, with a provisional start date of 22 January 2026. A design and location plan will be obtained from Highways nearer the time, when details are finalised.

Welbourne's Lane didn't quite score highly enough and it is expected this is to be reconstructed in 2-3 years based on its current score.

The Pastures / Bennington Close / Riverview - the footways on these streets are all in the 2025/26 programme for a micro asphalt resurfacing treatment, dates are to be confirmed.

### **Finance**

Councillors approved sign-off of the Annual Governance and Accountability Return and this will be submitted to the external auditors.

The Parish Council approved a £1000 financial donation to St Swithun's PCC for churchyard maintenance and a £500 financial donation to St Swithun's PCC to support the Saxonwell News magazine production.

### **Playing Field Improvement Plans**

It was confirmed the planned project to make improvements to the Pavilion is still waiting for the outcome of a Football Foundation grant application. This is critical to the viability of the project. The preferred contractor is available to do the work in June and if the project goes ahead, the facility will not be available while work is in progress. This will not impact the children's play area, tennis courts. MUGA or playing field.

Following Parish Council meeting dates Monday 2nd June and Monday 7th July 2025

As always, if you have any issues or concerns you wish to raise with the Parish Council, please contact me on 01400 282716 or email [parishclerk@longbenningtonparishcouncil.org](mailto:parishclerk@longbenningtonparishcouncil.org)

Dear Friends,

Do people still surprise you? Or are you in a place where you feel like you've seen it all and nothing surprises you anymore?

I have been working with a group of people who about a month ago gave a clear indication that they were struggling with the idea of continuing the work they had been doing together. They are becoming fewer in number, older, less able to bring the energy they once could – and things seemed to be becoming overwhelming for them. We made a date to meet together again and continue just that one conversation.

When the time came to meet again, I reminded them where we had left off our discussion and asked them what they were thinking and feeling having had more time to think about it.

Now, I had pretty much expected them to say that they had reached the end of the road, the end of their resources, and it was time to move on somewhere else in a different direction. Instead, they began to talk about the purpose statement they had written a little while ago, and how that still reflected what they felt they ought to be doing. They compiled a list of nine options for the future and looked at each one in turn. In the process, they bypassed their original plan, rejected seven other options and ended up with a decision that felt right but surprised everyone. Only one person felt that they couldn't support the consensus at the end. Suddenly there seemed to be a new energy in the group, and I am hopeful that they will continue to work at their movement forward. But in reaching that point, they very much surprised me – in a good way.

I have also had the opposite experience, where people have reached conclusions and taken decisions that were not anticipated, which is sometimes not a pleasant surprise. But people do surprise you. Every church and every community is made up of people in all their variety. We do not all think or act the same or say the same things or even believe the same things. This can be a problem – if harmony can only be heard in the sameness. But as a musician, I know that the richness of a piece of music is to be found in the dissonance as well – the clash of notes, the unexpected progression of chords. What makes the difference is the resolution that can be found when the piece is complete, and harmony is restored.

We have all recently witnessed that process at work in the Conclave of Cardinals that elected Pope Leo XIV. Other candidates were voted for, and depending on the results, cardinals then had to choose an alternative nominee until one man emerged as the person who had the support of a sufficient majority of the electors. Their choice may have seemed surprising to many people, as was the choice of Pope Francis and of many of his predecessors. Each one takes their place and helps to guide the Roman Catholic people on their journey into the future. For some that guidance will be a pleasant surprise; the same decisions may disappoint or distress others. Our leaders can be just as surprising as we are ourselves.

It takes courage to be open to surprise, to approach the things that may disturb or frighten us with an curious attitude and a willingness to explore alternatives we may not have considered, or we may have rejected with due consideration. We are surprising creatures and we are designed to be lifelong learners in a world where so much can be discovered through experience, Let's not be afraid of the notes or the ideas that don't seem to fit with the patterns we have already learned. Let's be open to all the possibilities that life presents, trusting God to lead us forward in surprising ways.

*David H. Bonny*

### EASTER JOY

The Easter Family Service began with the Easter procession featuring the New Fire and the school's cross of flowers. The church was decked with lilies in memory of loved ones and the illuminated tomb and Easter hymns played by Ron Webster on the Bryceson organ added to the occasion. The service was on the theme of 'The Quiet Revolution' and Alan Cook read out the names of loved ones represented by the lilies. After the service, the children enjoyed the Easter Egg Hunt and Easter craft table, while families tucked into the refreshments and took the opportunity to explore the Easter Meditation table. What an uplifting service and our thanks to all who supported it and made the church look so lovely and supplied the refreshments.
