Pause and Reflect

(by Rev Christine
Kerr)

As we pass the midway point of this month, let us pause for a moment, look back over the days and check in with ourselves, with God and maybe with another brother or sister.

We united in our Convention for the first 3 days of the month, to pronounce that we are a church, connected in Revival. We were reminded that revival involves reconciliation, healing (individually and collectively) and servanthood. We were admonished to have a desire for change, to repent, to love all people, to be students, disciples, growing, learning, listening, willing, available and accountable to one another.

In Bible Study, Sis Maureen King Taylor invited us to take time and allow God to pour in to us, in order that we can pour out to others (Psalm 22 v 14). Rev Julian Moore inspired us to stir up the revival fire within and “SPEAK” through Servanthood, walk in Purpose, show Empathy, demonstrate a Christlike Attitude and be Kingdom builders.

Prayer: Father thank You for this time, to reflect, to pause with You, to listen for Your instructions and to worship You for who You are and all You are doing. Amen.
