Ministering through Misunderstandings

(by Duke Kerr)

“These people are not drunk, as you suppose. It’s only nine in the morning!” Acts 2 vs 15

In this verse we see Peter, one of Jesus’ disciples, addressing a false misunderstanding that the people had about the Christians, after they had been filled with the Holy Spirit. He calmly, respectfully and boldly dealt with the misunderstanding which in turn led people to become Christians.

Engage: Don't be surprised if people have the wrong view of Christianity. Like Peter, take the opportunity to demonstrate or share how the unusual power of God changed your life. Respectfully and lovingly change minds and negative opinions through showing a Christlike attitude.

PRAYER: Father, like Peter, help me to rightly address misunderstandings that will help lead someone to accepting You. Amen
