## What is the Season?

(by Maureen King-Taylor)

August, what does it mean to you? Sunshine, holidays, greenery...Yes - it is a lovely time of the year in the summer season. Next we look forward to Autumn, Winter, and Spring. We dress accordingly, plan our activities to suit and take time to appreciate nature.

There is another timeline. One that is fast coming to an end. The signs are there for all to see, For all to believe. We need to respond to this season and plan accordingly because Luke 21 v 34 tells us, "And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares".

**That day** in that **season** will be like no other. You do not want to be getting ready.

Prayer: We thank you for life in this world. We thank you more for your son, who gave his life so that we can live with you in eternity. Help us to read the signs of the season and be ready for your return. Amen.
