Discover your strength through your struggles

(by Kaiya
Williamson)

A struggle is when something is hard to achieve and there will be obstacles to face which may seem hard to overcome, but God shows us that struggle will help to build us not break us

A verse that shows that struggles through life will make you stronger is 1 Peter 5:10 which states "And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast."

This scripture shows us that no matter the trials we face and the struggles we may have, God will pull us through and make us stronger to face new problems and struggles each day.

Engage: Don't be afraid to try something new or something you may think you will fail at, as struggle and failure will only make us stronger and give us more motivation to do well.

Prayer: Father, thank you for showing us light in times of need and struggle and showing us that darkness will never prevail in our lives once we have you. Amen
