CONNECTING THROUGH EVANGELISM AUGUST
2025

EVERYDAY EVANGELISM ENCOUNTERS

Tuesday
26 AUG
Rewards

(by Sis Maureen King-Taylor)

It is a privilege to serve the Most High whilst awaiting His return. Jesus showed us how to connect, interact, feed and pray to our Father as we shower love on one another.

Every September, students engage in academic or vocational studies. Their tutors lay out a path of discovery to embed and extend their learning to enable them to develop useful knowledge and practical skills for themselves and those around them.

The students can only obtain those skills if they follow the instructions of the tutors during the year. They are assessed and in August they get their examination results which reflects their effort during the year. Will they be happy or sad? Christ, our tutor have set a path for us to follow. The period ends when he returns with rewards. Will you be happy or sad?

Prayer: Thank you Lord, for giving us time to work in your vineyard. To share your word and love to those who do not know you. Let us follow your will in labour and prayer as we anticipate your return to hear you say, "Well done thy good and faithful servant".

Amen.
