**A Power Moment!** (Rev Christine Kerr)

A power moment is a point in time that has significant impact on someone. It is a a turning point where change happens.

Fictional superheroes with superpowers always arrive at pivotal moments, to save the day. As children of God, we truly carry super-power, which comes by the Holy Spirit, for a purpose.

Romans 1 v 16 says “For I am not ashamed of the gospel of Christ, for it is the **POWER OF GOD** unto salvation to everyone that believes [in Jesus].

We sometimes miss power moments – to connect people with God – on the job, at the coffee shop, talking to neighbours, at the gym, in school or university, etc.

**ENGAGE:** Ask God to empower you and open a door for you to connect someone with God today.

**PRAYER:** Father, guide me to ing someone who needs to hear your word, a prayer, or just experience your love today. Amen
