

Risk Assessment for SONlight at St Michael's Galleywood

Risk Assessment for running SONlight in the light of COVID-19.

Risk	Action Taken
Children moving around the Church	Children to remain with family until SONlight begins and then line up at the back, standing two metres apart, before walking to clergy vestry. Door to remain open.
Martin Room – no adequate ventilation	Move to clergy vestry with door open to outside
Maintain hygiene	Children and adults to use hand sanitizer at start of session
Shared snacks and drinks	Children to bring own snacks and drinks
Maintain social distancing where possible	Tables to be set up and each family group to sit on a separate table
Shared use of resources	Felt tips separated into bags, one per family and only used once a week
Shared use of resources between leaders	Each leader to have a Bible
Activities involving shared materials	All games and activities using shared equipment to be removed. Children encouraged to share experiences and discovery in their own space outside, if appropriate for part of the session
Children feeding back at the end during a live streamed service	No longer taking place as service is livestreamed and social distancing on the platform could not be maintained.
