Coronavirus Update

There is no longer a legal requirement to wear a face covering in public places. The government suggests that you continue to wear a face covering in crowded and enclosed spaces where you may come into contact with other people you do not normally meet unless you are exempt. Although for others 'peace of mind' you might wish to continue wearing your face mask. Social distancing will be in place at services and hand sanitiser will continue to be available. If you have any queries please contact the churchwardens for the most up to date information.
