Bishop of Peterborough announcement

The next Bishop of Peterborough will be the Right Reverend Debbie Sellin
Downing Street has announced today. Bishop Debbie, currently Bishop of Southampton,
will be installed at a service in Peterborough Cathedral in early 2024.

‘The role of Diocesan Bishop is not completely new to Bishop Debbie who has been the acting Bishop of Winchester following the retirement of Bishop Tim Dakin in February 2022.

One of Bishop Debbie’s priorities has been to encourage parishes to thrive. In her current diocese there is a rich variety of landscapes from urban to very rural, coastal and the new forest and she is dedicated to helping parishes in all these different contexts be the best they can be; guiding them through vacancies, celebrating those who are flourishing and coming alongside those who would welcome additional support.’

Debbie is married to Paul, a Professor of Physics, and has two grown-up sons. In her rare downtime she enjoys cooking, reading and craft, spending time with family and taking coastal walks.

Everyone is welcome in the churches of the Rutland Water Benefice!

Children and young people, older people and everyone in between
Single people, couples of all sorts and families . . .

On Wednesday **Preston** residents were joined by members of the late **William Green's** family to bless a number of Oak saplings that have been planted in William's memory.

William was much loved resident of Preston and is remembered fondly. The saplings have been grown from acorns from a tree originally planted by William in the village, and now line the road going out of Preston towards Ridlington.

Ridlington says Pants to Poverty!

For the third year running Ridlington residents have gathered together lightly used bras and new pants and have sent them to Smalls For All, a charity based in Scotland which distributes the items in the UK and Africa to people in need.

More information is available on the charity's website

And if you wonder why do this, the Charity's website explains in three words: 'Because dignity matters'.

Rutland Foodbank 2022-23 — Headline Statistics

- In the last 12 months 776 emergency food parcels have been provided by Rutland Foodbank to people facing hardship.
- During 2022-23 the foodbank supported 264 households across Rutland by delivering 7-day food and toiletries parcels.
- Of concern, 413 of the parcels were provided to 150 households which included children.
- Nearly 20% of the parcels were provided to those in work but struggling to afford food.
- As part of the Trussell Trust Network the Rutland Foodbank is calling for a stronger social security system that ensures we can at least cover life's essentials, like food, heating, and clothes.
- New annual figures from the Trussell Trust show that almost 3 million (2,986,203) food parcels were given out across the UK network – more than ever before.

New figures released by Rutland Foodbank have revealed that 776 emergency food parcels were provided to people facing hardship last year – with 413 of these going to households which included children.

The Rutland Foodbank has seen a 10% increase in the number of emergency food parcels distributed compared to last year. There was a 17% increase in the numbers fed compared with last year (2021-22).

2,123 children and adults were fed. The number of children fed (954) was up by 19% and adults (1,169) up by 16% compared with the previous year. This is the greatest number of people the Foodbank has ever provided food for.

We received 38,379 kg of donations from individuals, local charities, local community groups, our village donation boxes and local businesses. We distributed 35,315 kg to clients in 776 parcels.

Ingredients for 44,583 meals were distributed.

The levels of need were particularly acute in winter. January was the busiest ever month for the Foodbank since it opened, with 85 emergency food parcels prepared by volunteers.

Ali Wainwright writes . . .

As you might guess we are busier than ever with 337 referrals since 1st April. This is an increase of 24% compared with the same period last year. Since 1st April we have provided ingredients for over 18,000 meals. Despite an anticipated and completely understandable drop in food & toiletry donations we are still able to pick & pack 7-day packs and continue our delivery service across the whole county. We are able to manage our stocks by buying in items we distribute regularly and which we find we short of from time to time. Fortunately, we have some very generous supporters who help fund this via regular giving. It would be remiss of me if I didn't acknowledge our amazing volunteers, supporters and donors who together are helping fellow Rutland residents who are struggling at this time. A wonderful community effort. **Thank you all!**

As always, if you have any comments or questions please do get in touch.
