Prayer Lord Jesus Christ, you call us to be your Church.
Not just some of us, but all of us.
From different traditions, perhaps with different patterns of worship, different
doctrines, but sharing the same faith, serving the same Lord, worshipping the same
God.

Lord Jesus Christ, we cannot pretend there is nothing that divides us but we know
there is much more that unites us,
and we know your greatest wish was that we should be one, witnessing to the
wonder of your love through the love we have for one another.

Lord Jesus Christ, help us to hear and obey your word so we can become the people
you want us to be.

Amen
