

## *About our housegroups...*

### **Monday Evening housegroup**

We meet weekly, usually in homes in Bradley and Ashbourne, our sessions are Bible based, usually following a study book and we mix study and discussion. We aim to have some social catch-up time and also a prayer time. We also enjoy social events together; barbecues and potluck suppers being our favourites!

### **Tuesday Morning housegroup**

We meet weekly in the Lounge at Chatsworth Court except for our monthly visit out to a café for a coffee.

We normally use a study book, such as Spiritual Gifts (Life builder series) and Finding the Way – A Methodist Way of Life. We start all our meetings with coffee and prayer and continue with study and discussion.

### **Tuesday Afternoon housegroup**

We meet every other week in homes in Ashbourne. We are a new group and enjoy studying, praying together and supporting each other.

### **Thursday Evening Weekly housegroup**

We have a mix of fellowship and Bible study. We use a variety of resources such as DVDs (for various courses), Cover to Cover Bible study booklets with accompanying discussion questions, and NOOMA DVDs (these are 15 minute DVD sessions followed by discussion).

We have the occasional social evening, and we meet on a weekly basis.

Anybody is welcome to come and try us out to see if it suits them. There is no obligation to stay if you feel it's not your cup of tea.

### **Thursday Evening Fortnightly housegroup**

We are a small group of individuals, of varied experiences of faith, who aim to grow as disciples through the sharing of our experiences, our understanding and our questions with each other. We use a mixture of resources to stimulate our conversations including scripture, film, image and our own experiences. The group is coordinated by Jo and Paul, and we meet fortnightly,

### **Friday Evening housegroup**

We meet fortnightly on a Friday evening. We use a wide range of material that is chosen by the group, and always pray together. This can include a meal and activities for children. The group is growing steadily and adapting as new people join. New people are always welcome.
