

Confident Christianity

Sessions we offer online

Prophets in Islam and Christianity:

An interactive discussion of the similarities and differences between Muslim and Christian understandings of prophets our faiths have in common.

Baby Krishna, Infant Christ:

Explore the birth narratives of Krishna and Christ; there are both striking similarities and startling differences which can help us to reflect on our own faith.

Preaching with Jewish communities in mind:

a session for preachers on examining the unconscious biases that result in unthinking anti-Semitism while preaching.

Christianity and the Far Right:

Some within the far-right claim Christian identity. How should Christians respond?

Bespoke sessions:

What would you like to explore? Sessions available for youth groups, local preachers, Bible study groups, probationers and more
