

The background of the entire page is a soft-focus photograph of several lit white candles. The candles are of various heights and are arranged in a way that creates a sense of depth. The light from the candles is warm and golden, casting a gentle glow across the scene. In the top right corner, there is a small red logo consisting of a circle with a white cross inside.

- Young adults as they discern their next steps in life, that they may be guided and empowered.
- The active roles that children and young people so frequently adopt to encourage diversity, environmentally friendly action and the presence of an online world.
- The uncertainty of the world today, particularly as children and young people face so much change in the way that education supports their needs. We know that the hope in Jesus Christ, is the same as yesterday, today and tomorrow.

Heavenly Father,  
We thank you for the individuality of each and every child and young person.  
We ask that you guide them through this often-challenging time in their lives.  
We lift them and this prayer up to you, in your almighty and everlasting name.  
Amen.

# DAY 9 - LEICESTER WEST

We have sixteen active Local Preachers, four Preachers in training and thirteen Worship Leaders.

## GIVE THANKS FOR

- God's creative inspiration lavished upon us in this season of corona virus. Lay and ordained members have sprung into innovative pastoral care, prayer, worship and service in a variety of ways – using social media and on-line resources to ensure that members and non-members were connected to one another, and opened to the reality of God's presence through loving action.
- We give thanks for the joyful ministry of Rev'd Steve Clark who has moved on as a Supernumerary Minister; for Rev'd Judith Lincoln who was Received into Full Connexion, for Rev'd Joy Langford who continues with us, and for the arrival of Rev'd Helen Bell.

## PLEASE PRAY FOR

- Our willingness to take advantage of the new ways of ministry that we've discovered and that we will make it a priority to reach out to people who are on the margins of society, with the gospel of Jesus Christ.

Energising God,  
excite us to the possibilities of your  
living Spirit amongst us,  
that we may see you in everyone we  
meet.  
May Jesus be present in every

# DAY 11 - HINCKLEY

The Hinckley circuit comprises eleven chapels in towns and villages of south west Leicestershire. Many of our chapels are in areas previously very dependent on the hosiery trade and with a long tradition of Nonconformity. John Wesley visited the town of Hinckley no fewer than six times and in 1783 described the Methodists there as ‘a serious, well-behaved people’! We value greatly our past and look forward to God’s hopeful future.

## GIVE THANKS FOR

- The inspiration gained studying the book of Ruth during our circuit-wide Bible Month in lockdown;
- The opportunities offered by the period of lockdown for new ways of being church including through Zoom and other online services, prayer meetings and study groups;
- The enthusiasm and hard work of our youth team.

## PLEASE PRAY FOR

- The development of evangelism opportunities including the provision of further online Alpha Courses.
- Rev Patricia Mukorombindo as she begins her time of ministry in our circuit.
- Discernment as we face the need to reshape our circuit to grasp future missional opportunities and meet financial requirements.

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. Amen.

# DAY 16 - NORTHAMPTON DISTRICT

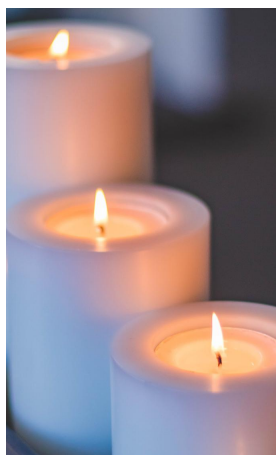

As Methodist people of the Northampton District, living alongside those of many different Christian traditions, different faiths and those of no faith, we celebrate God's abundant generosity to us. The Covid 19 pandemic has impacted on all our communities and we have lost loved ones. We are particularly aware that our Black and Ethnic minority members have been hardest hit and we shared with the city of Leicester in their pain when their period of lockdown was extended. The pandemic and the subsequent lockdown was responded to by the circuits in creative ways. On-line worship developed and a period of deep reflection about which buildings we actually do need to retain has begun. The loving care offered to the most vulnerable at this time was reflective of the compassionate people we seek to be. We pray for God's blessing for this District.

## GIVE THANKS FOR

- Our new ministers in the District, especially our probationer presbyter Bekkie Wright, and for their flourishing among us.
- The work of the EDI group and the World Church Heritage group in broadening the participation in leadership in the District.
- The ministry of our Supernumerary ministers.
- Our gifted, committed and dedicated District Safeguarding Officers, Gill and Sue.
- For faithful, hard working, generous people throughout the District, serving and loving their communities.

## PLEASE PRAY FOR

- Jill Marsh, our District Mission Enabler.
- Our Young Leaders scheme coordinator, Ollie Mcallister.
- Our Green champion Lydia Barrett.
- Our supernumerary ministers, and the widows and widowers of those ministers who have died.

# DAY 25 - VOCATIONS

The hymn 'I the Lord of sea and sky' [1] has echoes of scriptural responses of individuals to God's call in the chorus - 'Is it I, Lord?', often mistakenly sung as 'It is I, Lord!', changing the question to a statement. Vocations has both elements within it as we each seek within our discipleship to discern more clearly the many and varied ministries God calls us to.

And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; for the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ till we all come in the unity of the faith and of the knowledge of the Son of God...

## GIVE THANKS FOR

- The varieties of ministries within Churches, Circuit, the District and in our surrounding communities;
- The many opportunities for training in a variety of ministries, both lay and ordained.

## PLEASE PRAY FOR

- The District discernment days and for all who share in them as their sense of call is explored more deeply.
- The work of the District Candidates Committee.
- The work of all those who offer training and for those who participate.
- For the work of the Discipleship and Ministries Learning Network, especially the East Central Region of which we are a part.

Consider

What God might be leading you to and the journey between the question of 'Is it I?' to the statement 'It is I!'

May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit.

Amen.

# DAY 26 - MILTON KEYNES

The diversity that is Milton Keynes enriches peoples' lives but still too many feel invisible and forgotten. As we welcome a new minister, we seek to offer the hope we have in Jesus Christ and make a real difference in the lives of those in need.

## GIVE THANKS FOR

- The gifts and graces of our circuit family worker;
- Strong links between individuals and churches that allow more effective mission;
- Creativity of leaders of worship, lay and ordained and all contributing to the life of our churches.

## PLEASE PRAY FOR

- Increased sensitivity about processes that discriminate and willingness to change what must be changed to enable all to fulfil their calling.
- The five denominational presidents providing oversight to the LEPs seeking to exercise mission while meeting the requirements of the Charity Commission.

Creator God,  
we praise you for the variety displayed  
in our world and for your gracious love  
shown through your Son Jesus to every  
creature and person.  
Teach us afresh that every life matters,  
and remind us that we can all make a  
difference if we want to.
