The Collect and Post-Communion Prayer for the Seventh Sunday after Trinity

Lord of all power and might, the author and giver of all good things: graft in our hearts the love of your name, increase in us true religion, nourish us with all goodness, and of your great mercy keep us in the same; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

Lord God, whose Son is the true vine and the source of life, ever giving himself that the world may live: may we so receive within ourselves the power of his death and passion that, in his saving cup, we may share his glory and be made perfect in his love; for he is alive and reigns, now and for ever.

ENVOI

The Mission to Seafarers is a charity set up over 160 years ago to support seafarers who risk their lives each day to support our global economy. Today, it supports 1.89 million seafarers globally as they make an invaluable contribution to everyday life; something which all too often goes unnoticed. This includes spending months on end at sea, often in very unpleasant working conditions. Many seafarers struggle mentally, emotionally and financially to cope with the demands of everyday life, isolation, illness and separation from their families for long periods. The Mission provides safe and welcoming spaces in ports all over the world – and as near as Southampton – where seafarers can experience the love of God through very practical help to obtain cash, phone families, find supplies of things they need quickly in the short time they are allowed on shore, as well as in worship and good meals. The Mission also provides help when there are real disasters at sea – like a crew being abandoned by their ship's owner, and piracy.

You can make a one-off donation at St Mary's this week. If you would prefer to donate using your debit or credit card over the phone, then you can call the supporter hotline on **0300 555 1505**. If you would like to support the charity regularly, please look at their website. www.missiontoseafarers.org
