**Dear Friends,**

We very much hope to be worshipping as one congregation by the time we get to September, so I have not provided information about which Fellowship Groups will be able to come each week. Should Covid infection rates start to increase greatly again, we may need to re-think this before the end of August. We will still proceed with caution by asking you to keep your masks on in Church and sanitise your hands, maintain ventilation and some level of social distancing, at least in some areas of the church. It has been wonderful to sing again, albeit behind masks. We will return more of the chairs to church during the coming month.

You will see from the Circuit newsletter that Zoom services are continuing at 3.00pm on Sundays during August. From September, there will be a Circuit Service on the first Sunday afternoon of each month at 4.00pm, and I think there are plans to make this available via Zoom or some other social media. It will be held at Heaton Moor United Church in September

There is a copy of the full circuit plan on the noticeboard and there are some available for anyone who wants an individual one, at Church. You'll notice they say our morning service starts at 10.45am, but we decided at the Annual Meeting to stay with 11.00am, so that's when it will be.

Grace and Peace,

**Catriona**
