5. Any other remarks

* Age given on the headstone as 68 is incorrect. Research shows he was born in 1752 giving his age on his death as 75. Church Registers confirm this. Neal(e) is spelt both ways in the records.

William married Sarah (nee' Raven) at Burnham-Westgate, Norfolk (once one of the three separate settlements. The other two being Burham Ulph & Burham Sutton.) on 8th Oct 1787.

Believed to be son of Thomas & Hannah (nee' Collison) (Grave D2)
