

North Elmham Church Larder

In these very challenging times many of us are struggling in different ways.

For some of us it has become difficult to afford the food or other basics we need.

That's where our Community Larder comes in.

It is for anyone who needs it.

We are going to run it for a short time (1st March - 12th April) to see if it's useful to our community.

If it is, the Larder will keep going.

No eligibility requirements, no forms to fill in.

Come along with your shopping bag, use the hand-sanitiser and pick up what you need.

Where? Just inside the Church St Mary's North Elmham

When is it open? 9am - 5pm

Not able to make it? We can deliver to you, just call or text either number below
