

RAINBOW HANDS

Use hand prints in the shape and colours of the rainbow or draw around hands and cut out colour and stick on in shape of rainbow, with prayer underneath - Lord we pray that you will use our hands to do your work, help us keep our promises, knowing you always keep your promise to us. Amen.

Follow the Signs! You can play a short game using the images attached on your phone or tablet. Encourage your children to do what the sign says either walking or running around or driving cars/trucks/airplanes/trains around the room. Talk to them and explained that we see and follow lots of signs every day and today we are looking at signs that God shows us – The Rainbow for Noah after the Flood and the Ark and sending a dove as a sign of a new life in baptism in the story of Jesus' baptism.

Finger Print Animals and Rainbows: Thinking about Noah's Ark, the animals and promises - Finger prints animals then add head or legs or tails to their "animal prints". Write words Thank you GOD for being so faithful to keeping your promises. Help us keep our promises too.

Or

Make shadow animals using your hands in front of a lamp, have a look at these videos and have a go!
