As a result of a change in UK law, we now need your consent as to how we contact you. If you are age 13 or under you need a different consent form so your parent/guardian can also fill in their details to confirm their consent.

'iKnow Church' consent

'iKnow' is a cloud-based church administration software which enables the PCC's to keep the contact information of all church members organised and in one place. It helps us keep in contact with new members, attendees at groups and events, list who is serving in which areas and communicate with groups of people at the click of a mouse.

'iKnow Church' has a great member-facing system called "*Your Dashboard*" which promotes deeper engagement in the life and activity of the church among members. There are two main benefits for you as a church member for having 'iKnow Church':

1. It will act as the church address book, so it will be your way of accessing the contact details of other members of the church (please note that we will not be producing a paper address list any more except for those without access to a computer, smartphone or tablet).
2. It will show you which rotas you are on, the dates you are down for, enable you to arrange swaps or to mark your unavailability for certain dates, and to see who else is on the rota.

If you have any questions please do email me. vicar@southtamar.church

With every Blessing,
