

BEETHOVEN RECITAL

KINDLY PERFORMED BY OUR ORGANIST - MICHAEL CHISWICK

On Saturday 14th March, just before the lockdown took place, we managed to successfully hold a wonderful Fund-Raising event in our church.

Michael, our organist, very kindly said he would perform a Beethoven Recital and invite an audience and we said we would provide some light refreshments for the interval.

We had no idea how many would come along, but were delighted to welcome over 70 guests in the end - a marvellous response.

What a treat we had, it was a very interesting evening and Michael entertained us beautifully.

Everyone enjoyed the refreshments and a chance to chat in the interval and all thoroughly enjoyed the whole evening.

Looking back, it was incredible that we managed to fit it in, just before the lockdown happened, and thankfully we have raised over £620 for church funds - an amazing result.

We very much hope that Michael will hold another evening, perhaps towards the end of the year and we look forward to that very much.

Thank you to all who came to support this concert, and a huge **THANK YOU** to Michael for all his enthusiasm and talent.

Look forward to seeing you all again soon

VAL MOORE
