Arlington & Upper Dicker Flower and Produce Show 2020

Saturday 12 September was booked for the Flower and Produce Show and we had judges available for all the classes and lots of ideas about how to make the Show even more fun. No surprises that the Show has become a 'No Show'. The weather is bound to be perfect on that afternoon and of course all our flowers and produce are looking and tasting good enough to win prizes. Being optimistic, we will soon be booking a date for the 2021 Show and hope to see you all there. **See attached pages with photos. from past shows.**

We wish you all health and happiness.
