

# You unravel me

You unravel me

with a melody

Your surround me with a song

of deliverance from my enemies

Till all my fears are gone

I'm no longer a slave to fear

I am a child of God

I'm no longer a slave to fear

I am a child of God

From my Mother's womb

You have chosen me

Love has called my name

I've been born again into your family

Your Blood flows through my veins

I'm no longer a slave to fear

I am a child of God

I'm no longer a slave to fear

I am a child of God

You split the sea so I could walk right through it

My fears are drowned in perfect love

You rescued me so I will stand and sing

I am a child of God

## It is well

Grander earth has quaked before

Moved by the sound of His voice

Seas that are shaken and stirred

Can be calmed and broken for my regard

And through it all, through it all

My eyes are on You

And through it all, through it all

It is well

And through it all, through it all

My eyes are on You

And it is well with me

And far be it from me to not believe

Even when my eyes can't see

And this mountain that's in front of me

Will be thrown into the midst of the sea

And through it all, through it all

My eyes are on You

And through it all, through it all

It is well

And through it all, through it all

My eyes are on You

And it is well

It is well

So let go my soul and trust in Him

The waves and wind still know His name

So let go my soul and trust in Him

The waves and wind still know His name

So let go my soul and trust in Him

The waves and wind still know His name

The waves and wind still know His name

And it is well with my soul (sing it everybody)

It is well with my soul

It is well with my soul

It is well

It is well with my soul

Oh it is well with my soul ('cause of who you are)

Oh it is well with my soul

It is well with my soul

It is well

It is well with my soul

It is well

It is well with my soul

It is well

It is well with my soul

And through it all, through it all

My eyes are on You

And through it all, through it all

It is well Lord

And through it all, through it all

My eyes are on You

And it is well with me
