# From the Rectory

## Growth, Sowing and Reaping

3.

In the teaching of Jesus and elsewhere, the tending of crops has provided a rich source of metaphors for life and faith – think of the parable of the sower, or of the wheat and tares, or the image of wheat and chaff to illustrate the final judgement on our lives.

I'm not much of a gardener – but we are blest at Acle Rectory with a range of fruit trees and bushes. Sadly, my favourite apple tree (a Worcester) died last winter; and three of our gooseberry bushes have ceased fruiting for some reason (any suggestions, gardeners?) On the other hand, our apricot has continued to produce a small crop after I reckoned that it was too good at producing leaves and started cutting it back each summer. It's perhaps a lesson that you can't expect to keep yielding a crop year after year with no or little input.

When it comes to the agricultural calendar the Church has got rather out of step. Although we keep Plough Sunday in January, most crops are now autumn-sown – so while we are celebrating Harvest Thanksgiving, farmers are out cultivating and sowing in preparation for next year – something we will reflect on in our Benefice Service amongst the scarecrows at Wickhampton on 29<sup>th</sup> September (see elsewhere in *Outlook*). Without sowing there would be no harvest: St. Paul (2 Corinthians 9.6) urges us to *sow bountifully that we may reap bountifully* (although when I sowed bountifully in the vegetable garden I just got carrots and parsnips in desperate need of thinning!)

Our Diocese is *Committed to Growth*: Jesus clearly intended the Church and Kingdom not to remain static, but to grow. Simply to keep doing what we've always done will miss opportunities in a changing world – and is likely to result in reduced yields over time. To help us, Blofield Deanery is holding a day (Sat 21<sup>st</sup> Sept) based on material from a process used elsewhere in the country called *Leading your Church into Growth*. It's not necessarily about uprooting what we have and planting something new: sometimes only small adjustments are necessary – like my pruning of the apricot. Church members can book their place at <https://www.eventbrite.co.uk/e/blofield-deanery-resource-day-tickets-65925973361>

Beyond the Church, our local communities continue to reap the benefits of those who invest their time, energy and talents in making things happen – from my own perambulations I think of Cantley and Reedham Railway Station Adopters; our various Village Hall committees; support groups in Acle for carers, those with dementia or impaired sight; organisers of village fetes and shows; Good Neighbours and First Responders – I could go on! And although it's sometimes hard work, I see a great sense of fulfilment amongst those who do: you get out what you put in; *you reap what you sow*. In the love of God,

Martin Greenland

The *Deanery Resourcing Day* is on the 21st September (10am-3pm): the focus will be on *Leading Your Church into Growth*. The day will involve inputs as well as opportunities for us to focus on our own parishes. We'll worship together and have lunch together (lunch and refreshments will be provided). The day is open to anyone, but we are particularly encouraging clergy, Synod reps and PCC members to attend. We are

fortunate to be able to welcome Harry Steele from the National *Leading Your Church 4. into Growth* team who will deliver the keynote speech.

Please book your free places using the following link:

<https://www.eventbrite.co.uk/e/blofield-deanery-resource-day-tickets-65925973361>

Leading your church into growth helps us to identify ways in which we can encourage growth within our churches. Sometimes the smallest change can have the biggest impact.

Peter Leech & Martin Greenland, Joint Rural Deans

## Norfolk Churches Trust

7.

*Please pump up your tyres, or dust off your walking boots, pack a picnic and plan a route to visit as many of the most beautiful churches in Norfolk as you can on the 14 September 2019.*

- The annual Bike Ride is an excellent way of making money for your own church as well as the Norfolk Churches Trust. This year the trust is offering a £1,000 prize to the most improved church. i.e the church that raises the most money compared to last year.
- Please do remind people to take a camera and send in their pictures. We will choose three of our favourites to receive £50 prizes but we also use the pictures for social media and we try and use some for an article in the EDP.
- We are delighted if people drive round the churches if they don't feel like jumping on a bicycle. This is becoming more popular each year.
- **Justgiving** makes it easy to raise money from family and friends. See website for details. <https://norfolkchurchestrust.org.uk/bike-ride/taking-part/>
- The person who raises the most money receives a certificate from the Prince of Wales.
- For the more competitive, the Wall of Fame on the website records the people who manage to visit the most churches in the day by Bike and Walking.

## ALL SAINTS BEIGHTON

10.

We have done it! The funding is all in place and the project to re-thatch and improve the church of All Saints, Beighton is going ahead. Hooray!

After an anxious 4-month wait, we finally had confirmation on 22<sup>nd</sup> July from the National Churches Trust that they had awarded us a grant of £20,000 which clinched it for the Restoration & Improvements Project to go ahead. Along with other grants and fundraising the funds finally stacked up like this:

Heritage Lottery Fund second round application	221,000
Estimated VAT reclaim	49,999
Norfolk Churches Trust	8,500
The Garfield Weston Foundation	10,000
The Geoffrey Watling Trust	1,500
Allchurches Trust	5,250
National Churches Trust	20,000
Local appeal, donations & other grants	6,733
Volunteer time – <i>offset against costs</i>	3,000
<b>Total</b>	<b>£325,982</b>

The contractors came on site on 29<sup>th</sup> July and so far the external scaffolding has been set up, the cast-iron remains of the Victorian heating system have been removed and work is beginning on repairs to the Vestry in preparation for its conversion to the accessible toilet.

The Nave is now closed off to the public but services will continue in the Chancel with access through the priests' door. The churchyard remains open but please careful.

*Kate Ashcroft*

## Reedham Gardening Club

Our gardens took a real battering with the heat and wind but they will soon recover with our help. Dead-heading, trimming and watering pots and baskets will give us colour until the frosts. It is a good time to take cuttings of geraniums, fuchsias and shrubs.

Take off a non-flowering shoot, about 2-3 inches long and put round the edge of a pot and keep in the shade.

Vegetables such as Spring Cabbages can be planted when this season's crops are used.

## Reedham Village Show – August 2019

Thank you for your support at the Show. There was a colourful display in spite of the heat earlier and the recent heavy showers and strong winds. With your continued support we hope to hold another Show next year. Any ideas or offers of help would be most welcome. A meeting will be held after Christmas.

## I.T and Computer News

The Summer recess is over. Refreshed and invigorated, the free I.T. help group returns to its monthly programme of help for all. Next meeting will be on Monday 9<sup>th</sup> September at 2pm in Reedham Village Hall. Hope to see old and new participants with any I.T. needs.

Janet.

There were 6 Councillors present, the Clerk, and District Councillor Grant Nurden. 5 members of the public were in attendance. The Council meeting commenced at 7.30 pm. There Council still has 4 vacant Councillor positions. Please contact the Clerk for further details.

The Chairman of the Village Hall Committee Chris Bradbury gave the following report: the play equipment safety inspection has yet to take place for July. The June Cash Bingo jackpot was not won so the jackpot stands at £210 in 46 numbers or less. The Village Fete has been moved to the 11<sup>th</sup> September and the Napoleonic Reenactors will be attending. Two planning applications were considered: a new extension to east and west of dwelling, raising of roof, first floor front extension including balcony and removal of front dormers and creation of balcony at The Pink House, 36 Riverside NR13 3TF - the Council objected on the grounds that the proposed extensions are out of character with the area, out of proportion with neighbouring houses, and the height of the garage will obstruct the neighbour; change uPVC windows to grey aluminium, replace wooden stable door with grey aluminium, change second floor uPVC window to grey aluminium door at The Red Mill, Ferry Road - the Council had **no objections**, with one abstention.

It was reported that teenagers have been seen running on the railway tracks at the Station. Any future incidents should be reported to the British Transport Police, text 61016. In an emergency phone 999. The Village Hall also reported a few incidents, with small fires being lit.

The Speed Sensor readings for June gave an average speed in New Town of 42.3mph in a 40pmh zone. This is in line with previous data. For July it was sited opposite Station Drive monitoring traffic travelling towards Freethorpe. If you have a location you would like considered for the Speed Sensor please contact the Clerk or Cllr Simon Pittam. It was agreed that the Annual Parish Council Meeting in 2020 will be held on the Monday 4<sup>th</sup> May. This is because the May Day Bank Holiday has been moved to Friday 8<sup>th</sup> May 2020 to commemorate VE Day.

The next meeting of the Neighbourhood Plan team is on Wednesday 21<sup>st</sup> August at 7.30pm in the Village Hall. All residents are welcome to attend and contribute. Further details can be obtained from the Clerk.

## **Help your area to thrive with the Reedham Village Team**

Members of the local community are invited to join the Reedham Village Team at their next meeting on Tuesday 10<sup>th</sup> September, 6pm at the Village Hall, to learn more about recent achievements and plans for the future.

The Reedham Village Team was founded in 2017, with support from Broadland District Council, for businesses and organisations in the area who wished to pursue economic and social ambitions for the Village. The group includes representatives from Reedham Parish Council, local businesses, and volunteers who are involved in community activities plus interested residents who offer support and suggestions for projects.

The team have worked together to create an action plan for the area and are now inviting more people to get involved to contribute to new ideas and to progress initiatives such as redesigning the Riverside, building Business in Reedham, improving walking and cycling conditions and supporting Community groups.

Anyone who wants to be involved is welcome to attend the monthly meetings to find out more or to become a new member of the team.

For more information about the Reedham Village Team contact Amy Smith, at Broadland District Council by emailing [amy.smith@broadland.gov.uk](mailto:amy.smith@broadland.gov.uk) or 01603 430441.
