View from the Pew Harvest – (and Health)

3.

In last month's 'Outlook' Martin wrote under the heading "Growth, Sowing & Reaping" – it made me think about an uncle of mine who tried growing vegetables in a plot in our back garden. He was not the most patient of gardeners so when, after a week or so, the seeds that he had planted hadn't shown any signs of shooting, he planted something else.

I'm sure you can imagine what happened - and you'd probably be right! Everything came up at once, and nothing came up looking anything like the picture on the seed packets – but his heart was in the right place.

But Martin's letter also made me think about the hymns we used to sing as children in our Harvest Assemblies. Hymns like 'All things bright and beautiful' (though not specifically a harvest hymn), but also 'We plough the fields and scatter' – not meaning we throw the seeds to the ground and make a run for it! Verse 3 of 'We plough' starts:

"We thank thee then, O Father, for all things bright and good,
the seed-time and the harvest, our life, our health, our food".

Martin did the seed-time, so I'll do harvest:

Harvesting food today is changing – I recently saw a feature on BBC's Look East which was at a tomato-growing concern where they grow tomatoes 'vine-style' and where they keep extending the vine by training it up, and along, wires such that one plant could be as long as 20, or more, metres. This significantly increases the yield per square metre of soil.

It made me wonder - if there are ways in which we might increase our yield?

And do you remember what harvest used to look like? – sheaves of hay in the fields, all leaning up against each other, waiting to be 'gathered in'.

Thinking about the sheaves like that made me think about the upcoming, and urgent, need for repairs to the thatched roof at St Edmunds – and how we might 'gather' the funds necessary for such important work. (I'll think on about that)

But we mustn't leave out 'Our life, our health, our food' (especially our food!!).

So, from a health perspective - This month sees the festival day for St Luke, (acknowledged as a doctor) - he is patron saint of Physicians and Surgeons and also painters and pictures (I wonder why pictures need a patron saint – suggestions??). I'm rambling (that's no bad thing, through harvest fields).

So let me close, by saying – 'Eat well - stay well'. Blessings to you all.

To Helter Skelter in a Handcart?

Well the lights have gone out, the rivets been loosened, the mats stored away and we have said goodbye to the huge candy-striped interloper in the midst of our glorious Cathedral.

But has the dust really settled? I hope not...

The big, brash, bright and beautiful Helter Skelter has been dismantled, no longer shining its optimistic fairground bulbs onto our expectant, upturned faces and into our hearts if we would only let it.

But has the illuminating love of God, that was offered so freely by the specially trained volunteers to the many pilgrims lucky enough to encounter them, been dismantled too? As the lights on the oh so joyful Fairground Attraction went out a sigh of regret could be heard from the congregation at the final service, but the candles we were holding now shone in the dark.

It was now up to us to take the light of Christ out into the world.

As in the old stories, Christ can often be found in the most unlikely places.

Cantley & District W.I.

Our next meeting will be held on Wednesday 16th October at 7.30pm in Cantley Village Hall. Our speaker for the evening will be Elizabeth Keeble and her subject "You are what you think" For more information contact Barbara on 07789845050. New members always very welcome.

Reedham and District WI summer report

We enjoyed two speakers over the summer months as well as various trips to local places. In August, Alistair Murphy from Cromer Museum gave a fascinating talk on Olive Eadis, Britain's first female war photographer. In September, Dawn Nixon, a local alternative therapist, gave an informed talk on colonic hydrotherapy – an unusual topic for us but one that is relevant to us all since our gut plays such a large role in our whole health. Dawn talked us through what happens and what the benefits are of this treatment. We came away with a much better understanding of how to look after ourselves - lots of water, the right probiotics, exercise and a good diet, plus taking time to enjoy our food. Our birthday social will be held on the first Tuesday of the month (1st October) at the village hall and we will make sure that we drink lots of water!

If anyone is interested in joining our WI branch, please contact us via www.thewi.org.uk

Plastering Work On The Internal Walls At Halvergate Church

Work starts on the 30th September and lasts for about 10 weeks. We are expecting the Church to be open for visitors until 4pm, but many features will be 'under wraps' and if you are seeking a quiet haven you are unlikely to find one. We are expecting that Sunday services should be as normal.

Reedham Village Show – 2019

It was a very successful Show with more entrants and visitors than last year. The standard of exhibits was high and everybody enjoyed the display. There were 20 baby blankets donated which will go to Intensive Care Baby Unit at the N&N University Hospital. The date for next year's Show is Sunday 23rd August 2020. A meeting will be held in the New Year which everybody is invited to attend. We would be very pleased to receive suggestions or changes and improvements to the Show.

Reedham Gardening Club

When we plant our Spring flowering plants, think of bees and butterflies which will be out on sunny days. Heathers, wallflowers, pansies and bellis can be interplanted with bulbs. Bulbs can be planted in pots for blooming at Christmas – such as paperwhite narcissus, prepared hyacinths and dwarf daffodils. In the vegetable garden, garlic and broad beans can be planted to give an earlier crop and avoid blackfly. It is worth storing apples, especially cookers, by wrapping each in newspaper and storing in a box in a cool, frost-free place.

OVER FIFTIES CLUB

Another month has gone and some of our members have just returned from a long
weekend in Isle of Wight. They all enjoyed themselves and there is talk in the pipeline of
us doing a 7 or 8 day holiday to there in September 2020, so I shall start gathering names
of who would like to go. There is a strong possibility we will be doing another
Lochs & Glens in 2020. If we have spare seats non-members can apply to go - just
ring me on 07585504199.

We will be having a Halloween buffet and afternoon next month, so time to shine
up the broomsticks and Marmite, find that witches hat, too. We had a lovely afternoon
last year and photos were entered into the Clubs yearly photo album which covers our
events.

Our club is open to all villages not just Reedham, so don't be shy - just turn up
on a Tuesday at 1.30pm onwards. We start at 2pm and you too could become part of
our club and make new friends, and you might even meet some people you already
know. We meet every Tuesday at Reedham Village Hall and we now have members
from Hemsby, Acle, Cantley, Lingwood and even Lowestoft. We are a light hearted club
and every week I tell a joke or two to make them smile. Life is too short we all need
a good laugh.

Take care and do come and join us.

Reedham Ringers

October 1st marks the first anniversary of the Reedham Ringers' first practice at our
tower for some years. We have practised every Monday afternoon since – and have
rung for some special events, both church related and of national significance. Starting
with our armistice rings on 11th November, (our reason for re-establishing a band of
ringers at St John the Baptist in the first place), through Christmas ringing (how
wonderful to ring for the Crib Service and then again on Christmas morning – we hope
you enjoyed it as much as we did), ringing for saints' days, to celebrate May Day, to
remember the sacrifices of D-Day 75 years ago, for the Easter musical performance and

on other occasions. We have also rung at the two other churches in the benefice that boast bells – for the Book of Common Prayer Day at Halvergate, to ring out Lorna and Peter after her last service at Acle and to celebrate Sea Sunday at Acle. In July, we rang to give thanks for the life of Dr Ireland at The Minster in Great Yarmouth and have hosted visiting ringers and the local branch of the Norwich Diocese of Ringers. Last week our Tower Captain, Diana Gilder, rang her first Quarter Peal (that is over 1200 different rows of ringing without repeating the same row twice) in many years, to celebrate the ordination of her son James Gilder as a Deacon. Congratulations to them both. Throughout we have been wonderfully supported by other local ringers and by the village of Reedham, who have put up with our inexperienced crashings and even complimented us on our progress.

Thank you all and if anyone is interested in returning to ringing, wants to learn about what we do or to try it for themselves, please contact me. Mary Jones 01493 701388 mpcjones@hotmail.co.uk

REEDHAM PARISH COUNCIL

Meeting held on Monday 2nd September 2019 at Reedham Village Hall

There were 6 Councillors present, the Clerk, County Councillor Brian Iles and District Councillor Grant Nurden. 9 members of the public were in attendance. The Council meeting commenced at 7.30 pm.

Mr Richard Jenkins was co-opted on to the Council. There are still 3 vacant Councillor positions. Please contact the Clerk for further details.

The Chairman of the Village Hall Committee Chris Bradbury sent the following report: there were no issues with the play equipment safety inspection for August. The August Cash Bingo jackpot was not won so the jackpot stands at £230 in 48 numbers or less.

Two planning applications were considered: a revised submission for a new workshop and 3 residential dwellings at Sanderson Marine Craft, Riverside - the Council voted by a majority to object. It acknowledged that there have been some changes to the plans but it considered that they were still not significant enough or sympathetic enough to the site; single storey side extension at Larkefield, 17 Holly Farm Road, NR13 3TH - the Council had no objections. Notification was received that Eagle House, 43 Station Road is now renamed as The Old Tavern, 43 Station Road.

There will be 2 ½ plots available at the allotments from the beginning of October. Please contact the Clerk or any member of the Allotment Association.

The proposed Agreement for the Permissive Path has been accepted by Mr Mutten. Both parties will be seeking legal advice before it is finalised.

The next meeting of the Neighbourhood Plan team is on Tuesday 24th September at 7.30pm in the Village Hall. All residents are welcome to attend and contribute. Further details can be obtained from the Clerk.

Please continue to use the Parish recycling bottle banks on Riverside and at the Village Hall. These bring in funds for projects around the village.
